Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your support, whether that is through payment of voluntary contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school your contributions allow us to enhance educational experiences and facilities such as;

- A wider range of subjects
- Enhanced digital learning opportunities
- Excellent Visual Arts, Music, Sport, Science, Outdoor Ed & Language programs.
- New Equipment for Arts & Technology Department including a Laser cutter & 3D printer
- Additional sports equipment and safety padding
- A wide range of new books in the library
- Environmental sustainability education and support
- Additional in house Student Wellbeing Counsellors and Careers Advisors
- A specialised IT support team
- A wide array of camps, excursions, programs and activities

We only request contributions for items that we believe add value to the school experience for students. Your contributions go specifically towards items & activities that help improve your child's educational experience and we thank you for your contribution towards our school.

Our school has in place financial hardship arrangements to support families who cannot pay for items or activities, so their child doesn't miss out.
