## Principal's Report

**Welcome back, and a special welcome** to our new students in Prep and other year levels, as well as new staff and families who have joined the College community this year. We have had a smooth and productive start to the academic year with the students approaching their learning with exuberance and settling easily into the routines of instruction.

### Staffing 2017

Due to our increasing numbers in both Primary and Secondary we have added extra classes in 2017. In Primary we welcome two new teachers to Bright P-12 College: Ciaran O'Connor and Breanna Rouse, both teaching in 5/6 classes. In secondary we welcome back Klaire Johnston and Andy Nicholas, both teaching VCAL & Humanities.

We also welcome Esther Dudley to Bright P-12 College teaching Science & Maths with Roy Kennedy and Rachel Bardsley-Smith teaching Psychology & Science, replacing Jade Howell who left Bright P-12 College during the holidays. I wish Jade all the best in her new position.

### School Council Elections

College Council is a fantastic way to fully engage with your child's and the community's school. The Council is the executive body of the College and assists in determining the College's priorities and strategic directions. There are also a number of College Council sub-committees which provide a diverse range of opportunities for parents to become actively involved in the College community. A letter explaining College Council and asking for nominations will go home to all parents this week and I would encourage you to consider applying for one of these meaningful and purposeful

positions, particularly as we are now moving into our first year of a the Strategic Plan 2017-20.

### Parent Payments 2016

The Bright P-12 College Council has approved the school's parent payments policy.

This policy is available for your information on our website at [www.brightp12.vic.edu.au](http://www.brightp12.vic.edu.au) as well as the 2016 list of payment items/services for your child's program.

[Bright P-12 College makes every effort to keep the cost and number of items that need to be purchased to a minimum. We also try to ensure that the costs are affordable for all parents. Thank you to those parents who have already finalised their parent payments for this year. The school appreciates that families may sometimes experience financial difficulties in meeting payment requests. A range of support options are available to parents who have difficulty making payments including the Schoolkids Bonus, State Schools Relief Committee or the Camps, Sports and Excursions Fund. More information on these supports are available through the College.](#)

If you will have difficulty making payments please make an appointment to speak to Jenni Sgambelloni (Finance Assistant) or Kelli Jacobsen (Assistant Principal) to discuss possible support options and flexible payment arrangements. Any information about your financial circumstances, payment arrangements or status will be kept strictly confidential.

### Year 12 Study Retreat

This week our Year 12 students are involved in a two day intensive study retreat based at Harrierville. By all accounts the program was enthusiastically received and students and teachers enjoyed the many and varied sessions on offer. A big thank you to Justin Power for organising the event and good luck Year 12 students with the year ahead.

## INDIGENOUS EDUCATION COMMITTEE

The Indigenous Education Committee is looking for interested parents, staff and community members for 2017.

The committee focuses on the Indigenous language program, presenting Indigenous perspectives through the curriculum, furthering the understanding of Indigenous perspectives in the community and working with the Thathangathay Foundation and the Indigenous students at Bright P-12. It meets once or twice a term at lunchtimes. If you are interested in being a part of this committee please contact Sue Joyce at the school on (03) 5755 1166.

## Assistant Principal's Report

Welcome back to everyone. It has been a pleasure catching up with students and hearing their holiday news. I would like to extend a special welcome to our new students, staff and families who have joined the College community this year, each bringing new experiences and perspectives to our school community.

As the Assistant Principal in 2017 my role will specifically be Student Management and Wellbeing. My focus for 2016 will be:

- Student Management.
- Daily Operations and Organisation.
- Student Wellbeing.
- Empowering Students – Student Voice

I will continue to work as a member of the committee of management of Country Education Project or CEP.

This term will be a very busy one for **Year Level Camps**, Year 7, 8 and 9 camps will take place this term. Students have received information about their year level camps so please make contact with the Year Level Coordinator if you have not received any information.

### Year 11 and 12 Study Camps

This week the Year 12 study camp will be held and the program that has been put together looks very positive. Students who attend the camp will gain valuable knowledge and skills to equip them for the year ahead. A big thank you to Justin Power who is the organiser of the Year 12 Camp and the staff who will be delivering sessions; or staying overnight, without your commitment these very valuable events would not happen.

The Year 11 Retreat Day is happening on the 24<sup>th</sup> of February in Wandiligong. Mal Steer is putting together the program, which looks fantastic.

### Uniform

As we start a new year it is important to reiterate the importance of students wearing uniform. This includes our VCE Year 11 and Year 12 students.

If for **any reason a student is out of uniform they need to have a note from their parent**, which students can hand to the Year Level Coordinator. This includes the **school hat, which is an essential uniform item for term 1 and 4**. Hats that are not school uniform will be removed and students will be asked to sit either in the Primary Fishbowl area or the Student Lounge for Secondary teachers.

### Wellbeing Team

This year our wellbeing team will consist of Mark Betheras (Wellbeing Leader), Year Level Coordinators P to 12 and Rosemary Bunge (Secondary School Nurse). We meet regularly and continue to support families and students throughout their daily school lives. **If you require any information or support please contact your YLC** first. We have a very dynamic and empathetic team who have a variety of experience dealing with various issues. The key will be communication.

Paraprofessional services available on a referral basis are Occupational Therapy, Speech Therapy, Physiotherapy and Psychologists.

### Breakfast Program

The Program commenced for 2017 and ALL students are invited to participate. Breakfast starts in the Dining Room at 8.20am every Thursday morning. It is such a positive and connected way to start your day.

### Hawthorn Village

This year Rosemary Bunge will be continuing her community engagement program with Year 9 students. Students will be

required to make a weekly visit to Hawthorn Village during lunch time and part of period 5 on a specific day. Students will spend the time having a connection with one patient at Hawthorn Village with the aim of getting to know the person. It is a very worthwhile community project, which I strongly encourage our Year 9 to be involved in. Any interested students can collect an expression of interest from Rosemary.

### Swimming Sports

Swimming Sports will run again next week for Secondary students on Thursday 16<sup>th</sup> of Feb and for Year 3 to 6 Primary Students on Friday 17<sup>th</sup> of Feb. These are wonderful events that are held annually and are well organised by Matt Pywell, Mal Steer and this year Daniel Saville as our Sport Coordinators. A huge thank you to all the staff and parents that will attending and supporting these wonderful school events. It is important to remember that all staff and parents who attend and assist at these events follow the **Bright P12 College Code of Conduct** which can be found on our school website at [www.brightp12.vic.edu.au](http://www.brightp12.vic.edu.au) under the **policies and procedure** tab "**Child Safe Policies**".

As it is the beginning of the new year, and lots of parents/carers attend these events, it is important to be reminded of our [Bright P12 College Filming and Photographing Students policy](#), which can also be found under the policies and procedures tab of our website. I have copied the section specifically relating to parents/carers for you below.

**The swimming events are mentioned specifically in this policy.**

#### Parent Guardian Use -

· Parents and guardians can use photographs and videos taken at a school event for their personal use only.

· Such photos and videos must not be sold and must not be published.

· Parents and carers must follow guidance from staff as to when photography and videoing is not permitted and where to stand in order to minimise disruption to the activity.

**Only images of children suitably dressed will be allowed to reduce the risk of images being used inappropriately. This may include swimming events.**

### School Photos

These will occur on the 28<sup>th</sup> of February and again be taken by Arthur Reed. Your child will bring home the photo order form and note in the coming days. If you do not receive the information please make contact with your child's classroom teacher or Year Level Coordinator.

### School Hours

The school hours of operation are 8.30am until 3.30pm. Please be mindful that outside of these hours the responsibility for supervising students remains with parents/carers.

In regards to Office Operation times, the Office will be open from 8.30am to 4.00pm to assist with payments, attendance and general enquiries and concerns.

If you need to inform the Office of a school absence before or after these times please call and leave a message on **0357551166**.

### SMILING MINDS – Back to School Meditation

I thought some students and parents/carers would find this information useful. Smiling Minds is a free APP available to smartphone or tablet users on iTunes. I am not sure about its availability on Android. They are teamed up with ABC to create these great little meditations.

*"As we know, the new school year can be a stressful time with a lot going on. There are new back to school meditations.*

*These short 2-minute meditations are tailored for students, teachers and parents.*

*You can find them in our app under the 'Mindfully Back to School Program' or you can visit the ABC website." SMILING MINDS.*

## New Primary Teaching Staff for 2017

Ex-Bright P-12 College student, Mr. Ciaran O'Connor, is now teaching one of our Year 5 & 6 classes.

Miss Breanna Rouse from Myrtleford is teaching a Year 5 & 6 class.

## BRIGHT P-12 COLLEGE UNIFORM SURVEY

Coming Soon.... We would like ALL families to complete this survey to enable our school uniform to be the best it can be for our school, our students and families.

Survey will be online with hard copies available on request.

## SCHOOL PHOTOGRAPHS— Tuesday February 28th 2017

Dear Parents/Guardians,

Arthur Reed Photos will be taking school photographs at the College **on Tuesday 28<sup>th</sup> February 2017**. Please note this date on your calendar.

If you wish to order photographs, your son/daughter should **bring the envelope to school on photo day with correct payment enclosed. Please use a separate envelope for each student.** Younger children might like to hand their envelopes with payment to classroom teachers for safe-keeping before the day.

Parents will also have the opportunity to **order photos on-line** but this must be done before photo day. Please see the photo envelopes for details.

If you would like your children to have a **family photograph** taken, you will also need to return a Family

Photograph Order Envelope with payment. Family photo order envelopes are available at the College Office, so please collect one well before photo day if you plan to have a family photo taken. This opportunity is strictly for families only. Due to the very full schedule on photo day, there is no opportunity for group 'friends' photos to be taken.

All students are required to wear **full summer school uniform** for the photographs. Please check shoes (which must be plain black – no coloured laces) and socks!

Thank-you,

*Kelli Jacobsen*

## STUDENTS RECEIVE RECOGNITION FOR 'STRIPEY PAWS' FUNDRAISER

Last year Years 5 & 6 students sold cup cakes to raise awareness and funds for Saving Tiger Habitats.

Two of the team members, Bella P. and Jaslyn B., accepted certificates from the International Tiger Project acknowledging that Bright P-12 College has protected 2km<sup>2</sup> of tiger habitat.

The donation raised funds specifically for The Tiger Project's Wildlife Protection Units in Sumatra.

Well done to all concerned!

# MUSIC NEWS

## New Instrumental Students 2017

Here at Bright P-12 College students have the chance to play a large variety of musical instruments across all year levels. These instruments include the Piano, Drums, Guitar, Bass Guitar, Voice, Flute, Ukulele, Alto Saxophone, Tenor Saxophone, Trumpet, Tuba and Euphonium. The ideal age for a student to start playing an instrument would be from year 3-4 and up. Some instruments such as the Piano, Drums or Ukulele could be started by students in year P-2. This year we are having a teacher coming in for one day a week to teach Violin. The cost of Instrumental lessons varies, and is free in some cases for certain students and for some instruments. Please see Mr Campbell if you have any questions. Over the next couple of weeks I will be talking to the instrumental teachers about prospective new students and they will liaise with parents to talk about fees, lessons times, requirements etc. Again, talk to Mr Campbell if you have any questions. It is never too late for your child to start learning an instrument so please come and see me if you are interested.

## P-2 Choir 2017

This year I will be running the P-2 Choir on Friday at lunchtime. Any student who wishes to participate is welcome. It is important, once the students make the

commitment to join the Choir, that they come regularly to rehearsals. Please discuss this with your child if they are interested.

## Senior Choir 2017

The Senior Choir for this year will be running on Tuesday at the start of lunchtime. Any student from year 3 and above is welcome to attend this.

## Primary Assemblies 'Musical Item'

Each primary assembly I will get a student from the primary school to perform a musical item. I will talk to students in class about this. If you would like your child to be a performer at one of these assemblies, please let me know.

## Regional Music Camp

Later this term there will be a Music Camp for any interested students. This camp is going to be run by the North East Victorian Regional Music Co-coordinators. This camp will be happening on the 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup> of March. This camp will be happening at Beechworth and parents/guardians will need to transport their child to and from the camp. Registrations are now open so please see Mr Campbell if you are interested.

# PARENTS AND FRIENDS ANNUAL GENERAL MEETING

Hi All,

Our first meeting for the year will be held on Tuesday 7th March at 7pm in the school library. We are very keen to see some fresh faces and hear some new ideas this year. As most of you know we currently have two working parties (WP) running within the P&F. The Fun Run WP is already organising this year's fundraising event which will be held on Sunday 23rd April. Later on in the year we have the School Fair and there are whispers that this working party from last year might be giving it one more go before handing over the banner, Watch this space!

To date, a big chunk of the P&F fundraising money has been earmarked for the new junior school playground. A designer has been appointed and the initial plan has been presented to the school. If anyone has experience in outdoor educational areas or experience with projects such as this please don't hesitate to contact us, we would appreciate your input.

The extension of the school bike shed is another project the P&F has donated money to. This working party will be calling on parent volunteers who are handy with a hammer to come and help in due course. At this stage a design has been approved and we are in the final stages

of securing building approval for the project to go ahead.

As you can see, there is no shortage of things to get involved in to help support your family's school. Please put your hand up and contribute in some way, shape or form to make our school the best it can be for our community.

Please don't hesitate to contact me if you have any questions and queries, otherwise I'll look forward to seeing you at the AGM on Tuesday 7th March.

Kind Regards,

## Exchange Students from Germany

Hello, I'm Simone, I'm 15 years old and I am Tessa Conn's new exchange partner. I am happy to say, that I will stay here in Australia for three months, because I like the area and the friendly people very much. I come from a little village called "Großholzhausen" (that's next to Rosenheim) and my hobbies are horseback riding, skiing, playing harp, dancing, mountainbiking, reading and I am singing in a choir.

Hello, I am Vinzenz, I am 14 years old, and I will stay in Australia for 3 months. I stay with Oliver English and my hostmother is Cindy Crosthwaite. We live in Wandiligong and I like Wandi because it's very peaceful and there are many trees so it's natural and I see kangaroos nearly every day. The first week after I arrived we went to Ocean Grove and had a strong program, so I was already swimming with seals, saw some koalas in the wild, and did boogie boarding. We did much more in Ocean Grove but I can't write everything down. I enjoy school in Bright but it's very different to school in Germany. The first school day was very strange because it's like you know nobody. But after a long break and enough self-confidence it became great. See you, Vinzenz

## New German Language Assistant for 2017

Hello, my name is Elisa Ciliox and I am the new Language Assistant for German for the following school year. I am from a small town in Germany called Mornshausen. I have been studying Biology and English for my teaching degree at the Philipps-University in Marburg for five years and finished my studies last October.

In my spare time I like to be outdoors as much as possible. Therefore I am really happy with my placement in Bright and its beautiful nature, as well as the opportunity to go bushwalking, hiking, and mountain biking.

I hope that I can help the students of Bright P-12 College to improve their German language skills, but also give them an insight into German culture and history.

I am really looking forward to the next twelve months and the experiences that I am going to make here in Australia!

Elisa

## HEALTH CORNER WITH ADOLESCENT HEALTH NURSE—ROSEMARY BUNGE

Welcome back to school everyone and hope your holidays were great.

Some important things to remember in term 1 are:

- To be sun smart
- To keep well hydrated

Bright P-12 College is a Sun Smart school; this means hats must worn when outside during term 1 and 4. This is a very important part of SunSmart and reducing the risk of sun damage and future risk of skin cancers. Slip on a shirt, slop on sunscreen, slap on a hat, seek shade and slide on sunglasses is still the message from the Cancer Council and worth remembering both at school and away from school.

During summer it is extra important to stay well hydrated with our higher temperatures. Water is best and students are encouraged to carry water bottles at all times. Your brain is 76% water; staying well hydrated at school can help fight off fatigue and headaches.

### Welcome to any students who are new to the school

As Adolescent Health Nurse (school nurse), my role is helping you stay healthy. So I do a lot of health promotion activities

and primary health care. I work with classes and small groups and can also see students individually for short term counselling. For parents I can also offer information and support regarding students' health. My days at the school are Monday and Thursday and if you would like to chat with me, you can leave a message at the office or catch me in person on those days. You will find my office two doors up from the staff room.

**Breakfast** has started again for the year and you will find it on in the food room every Thursday morning from 8.20am. Remember, it is free to all students P-12 and we would love to see you there, it's a great place to meet others, have a chat and get a really positive start to the day.

**Hawthorn Village visiting Year 9** I am currently looking for expressions of interest from year 9 students who would like to be part in our community program visiting the residents at Hawthorn Village each week. Please see me if you interested or would like more information.

**Quote for the week:** You are free to choose, but you are not free from the consequence of your choice.

## PARENT PAYMENTS FOR 2017

The Bright P-12 College Council has approved the school's parent payments policy.

This policy is available for your information on our website at [www.brightp12.vic.edu.au](http://www.brightp12.vic.edu.au) as well as the 2017 list of payment items/services for your child's program.

Bright P-12 College makes every effort to keep the cost and number of items that need to be purchased to a minimum. We also try to ensure that the costs are affordable for all parents.

The school appreciates that families may sometimes experience financial difficulties in

meeting payment requests. A range of support options are available to parents who have difficulty making payments, including the State Schools Relief Fund or the Camps, Sports and Excursions Fund. More information on these supports are available through the College.

If you will have difficulty making payments, please make an appointment to speak to Jenni Sgambelloni (Finance Assistant) or Kelli Jacobsen (Assistant Principal) to discuss possible support options and flexible payment arrangements. Any information about your financial circumstances, payment arrangements or status will be kept strictly confidential.

Please Note: Additional school charges may arise during the year.

## Accident / Ambulance & Personal Property Insurance

Please note the Department of Education & Training does not provide personal accident insurance or ambulance cover for students.

Parents and guardians of students who do not have student accident insurance/ambulance cover, are responsible for paying the cost of all medical treatment for injured students, including the cost of ambulance attendance / transport and any other transport costs.

Private property brought to school by students, staff or visitors is not insured and the Department does not accept any responsibility for any loss or damage.

Personal property is often brought to school by students, staff and visitors. This can include mobile phones, calculators, computers, toys, sporting equipment and cars parked on school premises. As the Department does not hold insurance for personal property brought to schools, it has no capacity to pay for any loss or damage to such property.

## COMMUNITY & SCHOOL NOTICES

# SCHOOL PROCEDURES FOR THE BUSHFIRE SEASON

## School procedures for the bushfire season

Fire danger ratings and warnings are used in Victoria to provide clear direction on the safest options for preserving life.

Schools and children's services listed on the DEECD Bushfire At-Risk Register (BARR) will be closed when a Code Red fire danger rating day is determined in their Bureau of Meteorology district. **Our school has been identified as being one of those at high bushfire risk and is listed on the BARR.**

Where possible, we will provide parents with up to four days notice of a potential Code Red day closure by letter. A Code Red day will be determined by the Emergency Management Commissioner no later than 1.00 pm the day before the potential closure. Once we are advised of the confirmation of the Code Red day we will provide you with advice before the end of the school day.

**Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast.** This is to

avoid confusion and help your family plan alternative care arrangements for your child. It is also important to note that:

- No staff will be on site on days where the school is closed due to a forecast Code Red day.
- Out-of-school-hours care will also be cancelled on these days
- School camps will be cancelled if a Code Red fire danger rating day is determined for the Bureau of Meteorology district in which the camp is located.
- As a bus co-ordinating school, all our bus routes will be cancelled.

On these Code Red days families are encouraged to enact their Bushfire Survival Plan – on such days children should never be left at home alone or in the care of older children.

For those of us living in a bushfire prone area, the CFA advise that when Code Red days are forecast, the safest option is to leave the night before or early on the morning of the Code Red day.

As part of preparing our school for potential hazards such as fire, we have updated and completed our Emergency Management Plan.

### What can parents do?

- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed.
- Ensure we have your current contact details, including your mobile phone numbers.
- You can access more information about children's services closures on the Department of Education and Early Childhood Development website – see <http://www.education.vic.gov.au/about/programs/health/pages/closures.aspx>

For up-to-date information on this year's fire season, visit the CFA website at [www.cfa.vic.gov.au](http://www.cfa.vic.gov.au) or call the 24-hour Victorian Bushfires Information Line on 1800 240 667.
