"Lest We Forget" - Anzac Day Ceremony

On Tuesday 25th April our Primary and Secondary student leaders laid a wreath and spoke at the Bright Anzac Ceremony held at the town clock tower.

Our leaders did themselves and the College proud as they delivered their speeches with confidence and empathy.

Photo- Primary School Captains and Vice Captains laying the Bright P-12 College wreath.

MON 01—THU 04 - Yr 10 Melb Experience Camp.
SAT 06 - GALA DAY
 MON 08 - Yr 3-12 House Cross Country.
 TUES 09 - NAPLAN Yrs 3,5,7 & 9.
 MON 15 - FRI 18 - Primary Parent/Teacher Interviews.
 TUES 16 & WED 17 - 'First In Schools' - Prep—Yr6.
 TUES 23 - ICAS—Digital Technologies.
 TUES 30 - ICAS—Science.

JUNE

THUR 01 - Secondary O&M Cross Country.

Primary SRC Report

The Primary SRC would like to thank our students and parents for their wonderful support of our Crazy Head Day last term. We were able to donate \$300:00 to Blake Barnes for his 'Head Shave'.

Our donation will mean a lot to Blake and also makes an extraordinary difference to Aussie families facing blood cancers such as leukaemia, lymphoma and myeloma.

You may not know it, but blood cancer is the third most common cause of cancer death in Australia.

Our gift will help give those facing the shock of a blood cancer diagnosis the emotional and

practical support they need. It will also fund vital research so more people survive.

Our support is very important because the Leukaemia Foundation receives no ongoing government funding and relies on the generosity of people like you.

Once again, the members of the Primary SRC thank you very much for your support.

By Eliza Murrells and James Grant

Principal's Report

Bright P-12 College FunRun

On Sunday 23rd April the College hosted its seventh Fun Run, one of our major fundraising events for the year. It was a remarkable success with many Bright P-12 parents, students, community members and visitors participating and enjoying the spirit of fun created by sharing a strenuous run or ambling walk. We had considerable volunteer help with the event on the day; including students, staff, parents and grandparents. The main organiser of the event, **Tracey Carey** and her small team were very busy on the day and had been planning, preparing and scheduling the event since the conclusion of last year's FunRun. Without their dedication and effort, our involvement with such a complex event, which is so beneficial for the College, would be limited. On behalf of the Bright P12 College community, we thank you deeply for your work and time.

Bright P12 ANZAC Ceremony

On Friday 22nd April, Bright P12 College held its annual ANZAC Day ceremony in the College Stadium, and I am pleased to say it was an inspirational event. The organisation for the assembly began a few weeks ago with a meeting of the College Student Leaders, RSL representatives **Warren Barnard and Bruce Nordeck, Ms Sally Cocks** and myself. We discussed the significance of ANZAC Day and each student leader was given a task to do in preparation for the ceremony. On the day the student leaders excelled in their readings and leadership of the assembled students. After the event, the RSL members present came up to Bright P12 for a morning tea. On **Monday 25th April** our student leaders ably represented Bright P-12 College at the Bright ANZAC Ceremony, held at 11am. The Senior College Captains **Matt Shem and Caitlin Smith** read to the gathered crowd and were extremely professional in their approach to the task. Many community members caught up with me at the end of the ceremony to congratulate the College and the school leaders.

My War Hero

At the College ANZAC Day ceremony, the winners of the My War Hero project were announced by Warren Barnard and on ANZAC day at a ceremony at the Bright RSL premises, a plaque with the names of the winners was unveiled after a speech by Warren. The winners were: **Arnika Filipi, Lara Pasquinelli, Aspen Thomas, Alex Campbell and Caleb West**. The project between Bright P-12 College and the Bright RSL has developed over more than a year, with visits by the students to the RSL premises and visits from RSL members to Bright P-12 College. I congratulate the students for their tenacity in completing the project, **Bianca Dooley** for her efforts and **Warren Barnard and Bruce Nordeck** for their passionate and dedicated work with our students.

Testing times

In the coming weeks, students in **years 3, 5, 7, & 9 will be sitting the NAPLAN tests**.

The NAPLAN tests begin on **Tuesday May 9th** as children in Year 3, 5, 7 and 9 around the country sit the writing, spelling and grammar tests of the National Assessment Program for Literacy and Numeracy (NAPLAN). Reading and numeracy will follow on Wednesday and Thursday. NAPLAN is not a test you can "prepare" for. And making it a big deal won't improve students' performances, although it may increase their anxiety and reduce their performance.

What is in the test?

It is a general assessment of literacy and numeracy proficiency, providing a snapshot of how students around the country answer a particular set of Literacy and Numeracy test questions one day in May. How each child performs will be the result of all their years at school, not what they did in the weeks leading up to the test.

It is important all students do the very best they can during the test, as we do use the NAPLAN results to plan learning programs and to shed light on a student's learning, but it is not the only assessment made of a student or the only assessment to inform our knowledge of your child.

Josh Kusch

As you would have read in the Bright Observer last week, one of our graduates has helped discover four previously unknown planets. Josh's love of learning, passion for astronomy and curiosity led him to take up the challenge to hunt exoplanets by working through data from the Kepler Space Telescope from his flat in England. Josh's accomplishment is one to be commended and applauded.

Jean Olley, Principal

Assistant Principal's Report

Attitudes to Schools Survey

The overall aim of the annual Attitudes to School Survey is to collect data about the opinions of students from Years 5 to 12 to assist schools with planning, developing curriculum and improving student outcomes.

The survey assists schools to gain an understanding of students' perceptions and their experience of school. It provides schools with valuable data on students' views of their wellbeing, teaching, learning and school in general. This year the survey will include Year 4 as well.

Bright P12 College will participate in the survey on the 6th and 7th of June. I will be administering the surveys this year along with classroom teachers or Mr Betheras.

My Year 12 Life

Documents a full year in the life of 14 Australian Year 12 students. Available through iVIEW on the ABC., the program follows the students through the trials and tribulations of Year 12. It is great viewing for all current Year 12 students and parents and those who will be facing Year 12 in the years to come.

Rosemary – Breakfast Club

Breakfast Club has started up again this term and I would like to acknowledge Rosemary Bunge's efforts in running a successful program. I would also like to thank Chris Blazek, J.M. Duguid, Kerry Mapley, Mark Betheras and Jean Olley who continue to support this program with their valuable time in the morning.

Breakfast Club is a great way for our students to connect with each other, across the P-12 College. We have great discussions in Breaky Club with the students and enjoy seeing their smiling faces.

Occupational Therapy in Primary

Jane Shadbolt will be again providing our Primary OT service. Teachers have already identified students who will access this service. If you have any concerns about OT or you would like to discuss whether or not your child would benefit from the program, please contact your classroom teacher.

An OT can assist students in developing skills that will lead to success in everyday life including: motor, social, personal, academic and vocational pursuits.

Year 9 Apollo Bay Camp and the Urban/Rural Partnership

We had a wonderful week in Apollo Bay with the Year 9 students. It was a week full of surfing, kayaking, mountain biking and swimming. I would like to thank Elisa and Glenn for accompanying me on the camp. Also to the Year 9 students who attended: you were all absolutely amazing and it was a pleasure to spend the week with you.

The Urban and Rural Partnership through Country Education Partnerships is a pilot program designed to give students and teachers the opportunity to experience, and be exposed to, both rural, metropolitan/major regional education, lifestyles and cultures as well as provide a great way for students to have access to a broader range of learning experiences and programs.

Bright P12 College is involved in the pilot program with Apollo Bay and a P12 School in Melbourne, Macleod College.

The aim is to further enhance an already strong partnership with Apollo Bay. Macleod College is a co-educational, Prep to Year Twelve school located in Macleod a suburb north east of Melbourne. The College grew out of the merger of Macleod High School and Macleod Primary School in 2000.

Our first activity, as part of this partnership, was the Apollo Bay Camp.

In the partnership's initial stages there were meetings where we discussed how Bright can have access to Macleod and LaTrobe University. This may be worked into the Year 10 City Experience in the future.

The aim is to build stronger connections with these schools with the objective of coming together, widening our students' knowledge and understanding of culture, diversity and acceptance, and building strong academic ties.

*Kelli Jacobsen,
Assistant Principal.*

ANAPHYLAXIS

Each year we need to communicate with parents around anaphylaxis. Below is a guide for conversation with students/ children and gives some really good tips for students to follow.

1.	Always take food allergies seriously – severe allergies are no joke.
2.	Don't share your food with friends who have food allergies.
3.	Wash your hands after eating.
4.	Know what your friends are allergic to.
5.	If a school friend becomes sick, get help immediately even if the friend does not want to.
6.	Be respectful of a school friend's Adrenaline Autoinjector.
7.	Don't pressure your friends to eat food that they are allergic to.

There are also some great fact sheets that Royal Children's Hospital have on their website. They can be found at http://www.rch.org.au/allergy/parent_information_sheets/Parent_Information_Sheets/

Congratulations, Kelly

Two weeks ago I was sent an invitation to attend a celebration of Women In Sport. I took my husband Mark as my guest. I was invited in my capacity as Junior Representative U14 Girls Basketball Coach. This event was hosted by The Governor of Victoria, The Honourable Linda Dessau AC, and Mr Anthony Howard QC, at Government House in Melbourne and celebrated women in sport. The Governor, accompanied by Mr Howard, addressed administrators, athletes and leaders on the night. The Honourable Linda Dessau emphasised the need for all of us to embrace female participation, so that our daughters, granddaughters, friends and future generations can all experience sport from grass roots right through to the elite level, if they so choose. Soccer and basketball all

embrace female participation but there is still a way to go as female participation is about one third that of male participants. The Government acknowledges that we have a way to go and are investing in supporting female participation. As a community we can work together to improve participation by encouraging females to nominate for sports committees, become coaches, administrators or get active through sport.

As an Education Support Officer at Bright P-12 College and an administrator of basketball, I came away from the event inspired to encourage more females to become active in their chosen sport in whatever capacity they so choose.

Kelly Roffey, Education Support Officer &

SECONDARY SPORT

The last week of last term saw several teams from across the secondary school compete in volleyball and tennis at O&M Inter-schools Sports. Both days were great fun and all students improved their games across the day. From this we had two teams qualify to compete for our region at the larger Hume Sports meet later this year. These include the year 7 boys' tennis team (team A) and the year 7 boys volleyball team.

Congratulations to both these teams both of which had a number of players competing in their first ever secondary interschool sporting event. Thanks again to all staff who attended including John *Doddsy* Dodd for volunteering his time to be part of these days.

Music News

Regional Music Camp

On the 30th of March I attended the final concert of the 2017 Regional Music Camp. This camp happens every year and is a great chance for musically minded students to learn and socialize with other like-minded people. This concert was a great success and featured a number of students from Bright P-12 College. These students included Rahn Stavar, Max Gray, Josh Lindsay, Lily Birch, Matilda Manning, Alex Campbell and Zachary Crawley. Our students performed in a number of different ensembles including the Junior Concert Band, the Senior Concert Band and the Pop Choir. Our students played flutes, clarinets, percussion, drums, guitar and bass, and sang as part of this concert.

Congratulations to all the students involved.

FreeZA Push Start Comp. (Formerly Battle of the Bands)

On Friday the 4th of August the Alpine Shire will be hosting and running an exciting music competition for young singers and performers. This competition will be held at the Bright Courthouse and will be run on the night by a number of our students. This is a great chance for any young singer, singer/guitar player or band to perform. If you are interested please come and see Mr Campbell for entry details.

Gala Day Performers

On the 6th of May a number of students in the P-2 Choir, Senior Choir and Concert Band will be performing as part of the Gala Day celebrations from 9.00-10.00am at the clock tower in Bright. I have emailed out details about this concert as well as distributing notes to the relevant students. Please contact me if there are any questions, and come along and support the talented students we have here at Bright P-12 College.

Term 2 Soirees

Later this term, on the 31st of May and 1st of June, we will be having our Term 2 Soirees. The Primary Soiree will be on the 31st of May, starting at 6.30pm. The Secondary Soiree will be on the 1st of June, starting at 6.30pm. Both of these concerts will be taking place at the Community Centre. Please encourage your musical students to get involved and come along for two nights of awesome music making.

YEAR 11 OUTDOOR RECREATION

ROCK CLIMBING ON MT. BUFFALO

On the last day of Term 1 Year 11 Outdoor Rec. students went rock climbing on Mt. Buffalo to complete their level of competency in this unit.

Students accessing the cliff face.

Updating your smart phone? Don't know what to do with your old smart phone?

How about donating it to your local school. We are working on a project that requires a class set of smart phones. We do not need the phone connected to the phone system just the screen to work and the phone to have Wifi.

Please remove any personal data (pictures, phone numbers, etc). If the phone is beyond useful life we will dispose of it for you, or if you prefer, clearly label the phone and we will attempt to return the phone to you.

Please drop the phone off to your schools front office.

Students Arrive From Wadeye

This week we welcome 6 new students from Wadeye to Bright P-12 College. We have Amaya, Moses, Ricky and JJ all attending Year 7.

We also welcome Veronica in Year 9 and Assumpta in Year 11. These students were the successful applicants out of a group of 23 who applied for

the six positions here at Bright P-12. Each participant was selected because of their attitude towards school in Wadeye. We are also welcoming back Lauren Bitting into Year 10.

Marcus in Year 9 and Jerry Bitting in Year 11 VCAL returned earlier in Term 1.

Bright College Snowsports Team News 2017

Second Hand Ski Gear Sale

Register: Friday 2nd June 3:00pm – 7:00pm

Sale: Saturday 3rd June 9:00am – 12:00pm

Venue: Bright Community Centre

The Second Hand Snow Gear Sale is on again. This is a great event to buy low cost quality second hand snow gear for the whole family. You can also sell your pre-loved snow gear by consignment or donate items for sale.

This is the Bright College Snowsports Team's major fundraiser so please come along and support the sale. Run by the BCST, this event raises funds to support the snowsports programs that Bright P-12 College provides for students and families of the college community.

We sell a wide range of boots, clothes, goggles, helmets, skis, snowboards, stocks, and accessories. Sorry – NO GLOVES.

Register or donate your gear on Friday 2nd June and we will sell it for you on Saturday 3rd June, adding 20% commission for the BCST.

BCST greatly appreciates any items which are donated for sale.

Terms, Conditions and Fees

The second hand snow gear sale is a fundraiser for the Bright College Snowsports Team (BCST)

The 2nd hand snow gear sale is a **cash only sale**.

Registration fee of 50 cents per item applies

A late registration fee of \$2.00 per item applies for goods registered on sale day.

Items will be placed on sale on behalf of the vendor, by the BCST.

BCST will add 20% commission to each item entered for sale.

BCST take no responsibility for items entered into the sale.

All items must be clean and presentable and we reserve the right to reject items for sale.

The vendor must retain the registration receipt(s) as proof of ownership of the item to collect money or unsold goods.

If proof of registration cannot be provided, all monies and items are forfeited to the BCST.

If the item(s) is/are sold, the vendor can collect money between **12:00pm – 1:00pm Saturday 3rd June 2017**.

The vendor **must** collect item/s by **1:00pm Saturday 3rd June 2017**.

Any money or unsold goods not collected by 1:00pm Saturday 3rd June 2017 will be forfeited and become the property of the BCST.

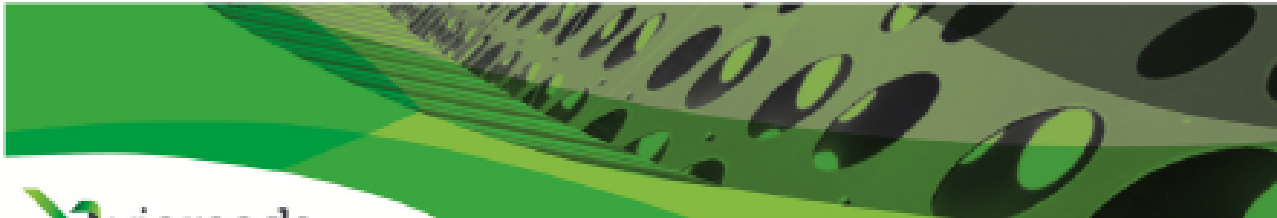

DISCLAIMER: BCST takes no responsibility for any items sold or purchased at the sale, accepts no returns of goods, recommends that you seek professional assistance to fit and tune any skis that you purchase from the sale

Coming Up

The aim of the BCST is to provide students and families with the opportunity to develop a range of skills in a safe and affordable snow environment

43 Days to Go!

Project Information - April 2017

Proposed Upgrade

Great Alpine Road from Bruthen to Wangaratta

The Federal and State Governments have announced an upgrade of the Great Alpine Road from Bruthen in East Gippsland to Wangaratta in North Eastern Victoria.

Funding of \$18 million has been allocated for 'betterment' or improvement works (not maintenance) on this important freight and tourism route. \$10 million will be invested on the section of road from Bruthen to just east of Mt Hotham, while \$8 million has been allocated to upgrade the route from east of Mt Hotham to Wangaratta.

Types of works

VicRoads is looking to identify improvement works that contribute to route safety, accessibility and reliability for all modes of transport, along with neighbourhood amenity and economic activity.

Examples of improvement works likely to be included are slow vehicle pull-over bays, intersection improvements, road widening and shoulder sealing, safety barriers, pavement restoration (not patching) and bridge improvements. Rest areas, shared off-road pathways and improved pedestrian facilities may also form part of the works.

Works priorities

In developing a list of priorities for improvement works along the Great Alpine Road, VicRoads will consider road usage patterns, crash data, feedback from stakeholders such as local municipalities, the freight, tourism and emergency services sectors, and input from the broader community.

Timeframes

The VicRoads Eastern and North Eastern Regions will work together to carry out planning for these works in the 2016-2017 and 2017-2018 financial years.

Some construction will be started in late 2017, with the full program of upgrades to be completed by the end of the 2019-2020 financial year.

Community participation

Throughout March to May 2017, VicRoads is seeking feedback from the community to identify issues of concern along this route. Input from the community will be used to compile a list of proposed works to be considered under the upgrade program. Community feedback sessions are being held in:

- Bruthen Art & Information Centre – 3pm-8pm, 3 April
- Swifts Creek Community Centre – 3pm-8pm, 4 April
- Ormao Fire Station – 5pm-9pm, 5 April
- Star Hotel Bright – 3pm-8pm, 27 April
- East Gippsland Field Days, Baimisdale Aerodrome – 28 & 29 April
- Myrtleford Neighbourhood House – 3pm-8pm, 2 May
- St Mary's Hall Baimisdale – 2pm-7pm, 3 May
- Wangaratta Library – 3pm-8pm, 10 May.

A second round of community consultation in mid-late 2017 will again canvas the community to ascertain its priorities for works identified during the initial community consultation stage.

More information

If you would like to have your say on issues along the Great Alpine Road or would like to be kept updated on the progress of this project, please email gippslandclients@roads.vic.gov.au

Community input is being sought to identify issues of concern along the Great Alpine Road from Bruthen to Wangaratta.
