Bright P-12 College Newsletter

Year 3/4S with African Drumming Teacher, Emmanuel.

AFRICAN DRUMMING COMES TO BRIGHT P-12

During week 9 of Term 3 students from the Primary School had an incursion where they learnt about African Drumming.

For four days each class rehearsed a set drumming routine on djembe drums and also learnt an African dance.

Emmanuel, the teacher, is originally from Ghana, and had each child engaged in the intricacies of playing the djembe drum.

He also had our students performing a number of West African dances.

The concert on Thursday afternoon was a great success with each class

performing very admirably both on the drums and with their dances.

I would like to say a big thank you to Emmanuel, our drum teacher, for a great week with our students.

A big thank you needs to go to the Primary staff for their support during the week.

Finally, thank you to all those people who attended the Thursday afternoon concert, it was great for the children to perform in front of a large audience.

(Students comments and photos of this activity can be found on pages 3 & 4 of this issue).

Assistant Principal's Report

We are at the end of Term 3 and once again I find myself reflecting on how fast the school year is going, particularly for our Year 12 students. I hope you and your families are coping with the pressures of these final weeks of secondary education and that you take this last holiday opportunity to prepare for your November external exams. As this is our final newsletter for Term 3 I would **like to wish the College community a happy and safe holiday, starting this Friday**. I will be on Long Service Leave for the first 3 weeks of Term 4. If there are any student wellbeing concerns please make contact with Mark Betheras or Jean Olley.

The **Debutante Ball for 2016** was on last Saturday night and the students were amazing. Their dance skills were outstanding. Thank you to all of the members of the Debutante Committee and Lauren and Tony Brooks for organising such a wonderful evening. Also thank you to the community members that assisted on the evening. Well done to all involved.

The last two weeks has been another busy period of extra-curricular activities, ranging from sporting to academic competitions. On the weekend a large number of Primary students competed in the **Japanese Speech Competition** and had some outstanding results - a true indication of the success of our **Immersion Program** across the P-2. Congratulations must also go to Keiko and Ryo for their time and effort. Well done to everyone involved.

New Government Child Safe Standards

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect (www.education.vic.gov.au).

Letters will go home this week to explain the new child safe legislation. We will have community and volunteer briefings next term, which you will all be invited to attend. But before these information sessions, you can make yourself familiar with the new policies and staff Code of Conduct on our website. You may also need to revisit our **Filming and Photographing Students' Policy** which can also be found on our website. This policy states that parents **cannot publish photos or videos taken of school events**, this would include uploads to social media. If you have any questions please contact the College.

Celebration of Success Assembly

Our celebration of success assembly for Term 3 will be held on Friday of this week. I would like to take the opportunity to congratulate all students for a term of hard work. There were some extremely pleasing results in VCAL and once again the sporting achievements of our students were fantastic.

VCAL Wine Initiative

Please get behind our VCAL program and purchase a box on wine through Ringer Reef. Order forms can be collected at the front office.

African Drumming

Last week our Primary students participated in a week long drumming program. The students did an amazing job and put on a wonderful concert. Thank you to Mr Campbell and the classroom teachers for organising another fabulous opportunity for our students.

Last week we held our **Yr 9 and 10 (2017) Information Sessions**. Thanks to Ms Olley, Ms Brady, Mr Kusch, Ms Chris Blazek and Mr Power for providing such an insightful explanation of our new course selection process and curriculum.

Also this week, our **Yr 12 teachers** will be meeting with student and parents in preparation for their final few weeks of school. It is not too late to book a **Parent Teacher Interview through COMPASS for Wednesday night**. If you are having any difficulty please contact the Office.

Next term, in Week 1, we will be hosting **Yr 7 to 11 Parent Teacher Interviews on Wednesday and Thursday Nights 3.40 to 5.30pm**. These bookings are now open and can be made through COMPASS.

We are in the transitional phase of **uniform** and this will continue into the next 2 weeks of next term. All students P to 12 will need to remain in either full winter uniform or full summer uniform. Students are not permitted to be wearing a combination of both, for example stockings with the school dress. Also, a reminder: as a **SUN SMART school hats will be required all of term 4**. All students will be required to wear their full brim or bucket hat from the start of next term.

If your child needs to travel on a bus, and **they are not a usual bus traveller**, they need to have a signed note from a parent. They then need to bring this note to the Front Office so they can be issued with a blue bus pass. They will then need to return to the Office later that day to collect the bus pass. Students who are non-bus travellers cannot travel on the bus without the BUS PASS.

AFRICAN DRUMMING REPORTS FROM 3/4V

African Drumming Report— By Andeline Bardsley-Smith

Term 3 week 9

This week we practised African drumming with Emmanuel. Emmanuel came from Ghana in West Africa. We practised playing the drums and doing a cow dance. The drums are called djembes.

Monday

Our first day at African Drumming was FANTASTIC. First Emmanuel told us what the drum was called and then we started playing. We did a beat that goes like this- Boom-boom boom boom-boom-boom.

Tuesday

Our second day at African drumming was good. I really liked doing the dancing, it was great fun. When we practised drumming, Emmanuel said, 'Let's make noise'. It really hurt my hands.

Wednesday

Our third day at African drumming was really, really good. I had so much fun doing the dance. I couldn't wait for the next day because we had to perform in the concert.

Thursday

On Concert Day, we had only 20 minutes to practise. The concert started at period 5. At the concert I liked doing the dancing the most.

African Drumming Report— By Tyler Thomason

For the last four days we have been practising African drumming.

The drum is called a djembe.

We had a teacher from Ghana in West Africa, his name was Emmanuel.

In Ghana they speak 47 languages. Emmanuel could only speak three so he couldn't understand most of the people he met in Ghana unless they spoke English.

There are 54 countries in Africa.

Emmanuel taught us a dance as well.

The dance is called the cow dance.

We always practised the dance when the music was going.

On Thursday it was our concert, we did our drumming first and then our cow dance. It was awesome.

African Drumming Report— By Sebastian Friend

From September the fifth to September the eighth all of the primary students at Bright P-12 College had drumming lessons on the djembe drum (a West African drum made with cow skin).

Our teacher was called Emmanuel, he came from Ghana in West Africa.

We had three thirty minute lessons and one twenty minute lesson. In every lesson we did some drumming then we practised a dance named the cow dance.

On the eighth of September we walked to the Entertainment Centre, all feeling a little bit nervous since we had had only four lessons. When we walked on stage Emmanuel started drumming and we copied him. At the end of the concert no one had laughed at us so I was pretty sure the concert went well.

African Drumming Report— By Charlotte Kelly

This week the primary students learnt African drumming and African dancing.

Emmanuel taught us both. Emmanuel was from Ghana which is in West Africa. The drum is called a djembe [say..jem-bee]. There were three notes: bass, slap and tone.

The first thing we had to do was keep banging the drum really fast non-stop. It hurt our hands and that was just a warm up! Emmanuel played a rhythm and we copied him.

All the 3/4 students did the cow dance. We had to hunch our back, stamp our feet. After that, we stamped one foot in front and moved our hands. Then we bent over and stamped our back foot twice, stood up and stamped our front foot once. Next we reached across with our right hand, touched the ground, stood up and clapped our hands twice. The next move was the same as the second and then we jumped off the stage with our hands in the air. We stopped after five jumps, put one hand on our hip, moved our hands and continued until we were off the stage.

When it was time for the concert, I was really excited and I was not nervous at all.

The preps were up first. It was really good for preps. As each class went on stage I felt more excited. Finally it was my class's turn. I was in the middle row. We finished the drumming and got ready for the dancing. I was in the front row in the dancing.

I really enjoyed the African drumming and African dancing. I would like to thank Emmanuel for teaching us African drumming and African dancing. He was a great teacher.

ALPINE SHIRE VISIT YEARS 3/4V

Alpine Shire Report

Today we went to the Shire Offices. We met the mayor, his title and name is **Councillor Ron Janas**.

Heather Green (Director of Sustainable Development) said that the Council receives \$1000 000 every year and the councillors decide what that money will be spent on: projects such as building bridges and improving playgrounds and footpaths.

There was also a man (**Nick**) who is an arborist (a tree surgeon). He had an elevated platform that is for chopping branches that are up high and it lifted him 20 metres into the air!

By Sophie Head.

Alpine Shine Report

Today we went to the Shire Offices.

We met the mayor whose name is Councillor Ron Janas. The Deputy Mayor is Tony Keeble but we didn't meet him. When we sat down, Scarlett, myself and some other students were chosen to sit where the senior council sits.

Heather Green (who is the Director of Sustainable Development) came to talk to us about money. She gave us some options to tick. These were the options:

- A bridge repair
- Mountain bike tracks
- Playground for ten to twelve year olds
- Getting the foot path fixed up
- Fire preparation
- Skate park
- Weed control

I chose numbers one, three and four.

A girl called Ebony (the Communications Officer) took us outside to look at an elevator platform.

The elevator platform was a huge machine used by a man called Nick (who is an arborist). Nick uses it for cutting down trees. He showed us how to use it. The elevator platform went about 20m high. By Holly Harrison

Now, That Takes The Cake!

Year 7 student, Shelby, recently made this fantastic "Dragon Cake" for her Humanities class, who had been studying Ancient China during this term. Students brought along food relating to Ancient China to share at a lunchtime feast. Great work, Shelby.

3/4V at the Alpine Shire Chambers

Marrin Gamu Song Contest

The Year 9 Indigenous Language class were runners up in the Marrin Gamu song contest. Students from around Australia entered the contest, by translating and performing a set song (Similar to 'Head, Shoulders, Knees and Toes') in Indigenous Language. The Year 9 students wrote and performed the song in our local language, Dhudhuroa. It was titled "Murrboa" which means "Alive".

Feedback from the organisers was: "We thought it was fabulous that the students played the backing track themselves, which showed great effort, and the fact that they used different instruments and were so enthusiastic. The students demonstrated a terrific attitude and energy."

The song can be viewed on - www.marringamu.com.au/videos

Japanese Speech Contest

On Sunday 11th September we had a Japanese Speech Contest at Yarrunga Primary School.

Parent/Teacher Interviews

Dear Parents and Guardians,

Your student's Semester 2 Progress Report (Years 5 to 12) has been published on Compass. Progress Reports provide a short summary of how your child is performing in each of their subjects.

If you have any concerns about your Secondary student's performance, we strongly advise you and your student attend Parent/Student/Teacher Conferences. For Year 12 students, or Year 11 students completing a unit 4 subject, this will be on Wednesday 14th September from 3:40 - 5:10pm. For Years 7-11 students these will take place on Wednesday and Thursday, 5 and 6th October, the first week back of Term 4.

Primary Parent/Teacher Conferences do not take place in 2nd Semester; however, if you have any concerns please contact the classroom teacher via Compass or the front office.

Bookings for Year 12 Parent/Student/Teacher Conferences can be made now online via Compass (under the Community Icon) and Year 7-11 were opened on Monday 12th September at approximately 9.00am. Interviews are strictly limited to 10 minutes for each teacher so if you need to speak to a teacher for longer, please arrange an alternative date and time.

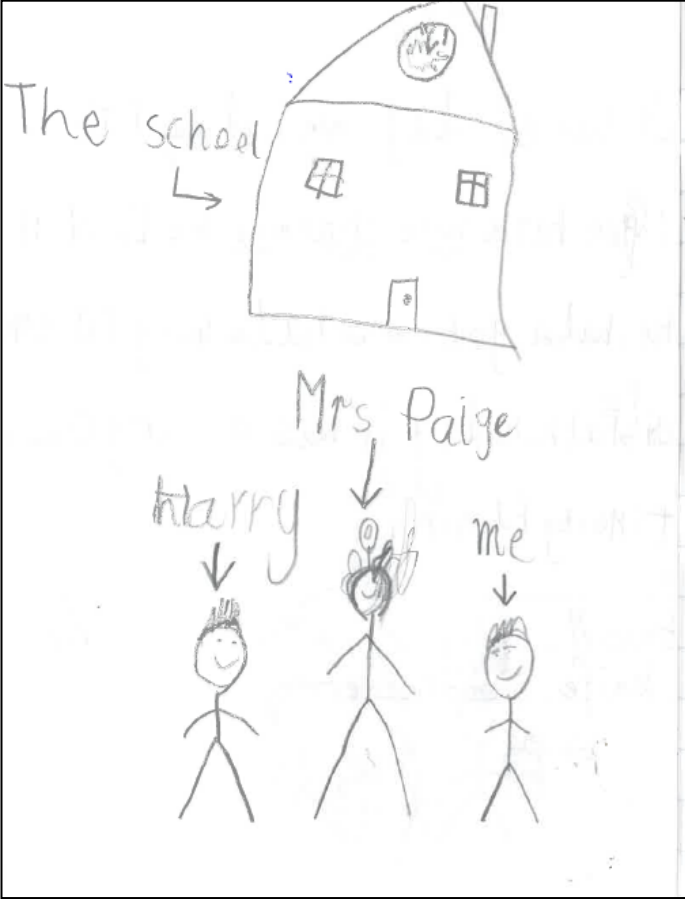

If you do not have access to the internet for booking interviews or viewing Progress Reports, please contact the front office admin staff by phone or in person and they will make the bookings for you or organise a hard copy of the Progress Report for you.

If you do not know your Compass log on details, you will need to inform the front office admin staff and provide them with a current email address - log on details will then be emailed to you.

Progress Reports can be found under the 'Reports' tab on your Compass Home Page.
