The VCAL students supported by Ms. Fraser's Year 3 and 4 class harvested our vineyard last Thursday, February 18 in brilliant sunny weather. The secondary and primary students buddied up and spent a couple of hours picking our Sauvignon Blanc grapes and by the end of the session almost completely filled our large bin. We suspect that we picked more than last year but this is unconfirmed.

The grapes were then transported to Ringer Reef where they will be crushed, blended with a selection of

grapes from Ringer Reef and then bottled in the near future to become the 2016 Vintage.

Many thanks go to all the students for their fantastic work ethic in the vineyard.

Special thanks go to Michelle Kusch who gave up her time to assist in the picking and to Graham Barker for his loan of a vehicle to transport the valuable harvest to Ringer Reef.

Principal's Report

College Council

This year a number of College Councillors left the Council; **Jason Reid, Lisa Neville, Graham Wood, Jenny Corser, Mark Ditcham and Darren Lynch**. I would like to thank each of you for your dedicated efforts and commitment over a number of years, supporting the College, and the successes you have achieved through your participation and engagement with Bright P-12 College Council.

At the close of the nomination period for College Council 2016, I am pleased to announce the following successful candidates; **Kristen Tuff Paul Hargreaves, Gil Paulsen, Ty Caling, Leanne Gilham and Kelli Jacobsen**.

Bright P-12 College Council is made up of the following categories and numbers:

Parents (non DET) 8

DET Employees (other than the Principal) 4

Community (Co-opted by College Council) 2

Principal

Parents	DET Employees	Community	Principal
Gerard Gray	Teagan Nugent		Jean Olley
Fi Forbes	Kate Brady		
Yvonne Van Urk	Justin Power		
Kristen Tu	Kelli Jacobsen		
Paul Hargreaves			
Gil Paulsen			
Ty Caling			
Leanne Gilham			

I look forward to continuing the good work College Council is engaged in during this year.

Music Program at Bright P-12 College

"Music is the electrical soil in which the spirit lives, thinks and invents." --Ludwig van Beethoven.

Music has many impacts upon us and this is supported by a body of evidence and research. Listening to music can alter our moods, increase our energy levels and enhance our learning. Music is a powerful tool for personal expression within our lives.

Here at Bright P-12 College we have an extensive music program from P-12. P-6 classes have one period of timetabled Music each week, Years 7-8 complete a term's rotation and as well there is an elective Year 10 Music class. We also offer our students a wide range of musical instruments to learn through Instrumental Lessons. These include the Piano, Guitar, Bass Guitar, Voice, Drums, Flute, Clarinet, Alto Saxophone, Tenor Saxophone, Trumpet, Trombone, Tuba and Euphonium. The ideal age for a student to learn would be from year 3 or 4 and above. This often would depend often the physical size of the instrument and each child's maturity.

Students in the Secondary College have the chance to learn to play a Brass or Woodwind musical instrument for free. Please take up this great opportunity and contact Mr Campbell for the details about the Instrumental Music program.

German Exchange Visit

Over the last three weeks we have been fortunate to have 12 students and 2 teachers from Bad Aibling visiting the College, as part of our reciprocal exchange program. The three weeks have been packed for the visitors and Bright P-12 students hosting with visits to Bright Chalet, Mt Buhalo, Alpine Shire, Bright Museum and Wandiligong. This program is an important part of our educational advantage and I would like to thank all involved, in developing and maintaining such a vibrant and engaging opportunity for the students and families, both in Bad Aibling and Bright.

Year 12 Study Centre

Currently the College is renovating the Year 12 Study Centre with the hope it will be completed by Term 2. Facilities within the Centre are being upgraded to better suit senior students' learning needs. The addition of a smart-board in one of the spaces will allow small senior classes to be taught in the Centre and presentations to all of Year 12. Many thanks to all involved in this project for your efforts and commitment.

UNIFORM ISSUES

A reminder that the uniform shop has received new stock. Boys need to be reminded that the **grey 720 shorts** are available and for the **girls the blue tailored shorts** are also available. Currently we have some students wearing the incorrect shorts to school on a regular basis. If there is an issue with a particular student or uniform item I would encourage you to give me a call. All students who are out of school uniform require a note from their parents explaining the reason for incorrect uniform.

SCHOOL-BOOKS AND RESOURCES

It is imperative that students have all of the required materials and books for class and this includes a netbook or computer. Please remember that the College is able to provide some assistance if required. If this is the case, please come and see me.

SWIMMING SPORTS

Congratulations to all of the students who competed at the primary and secondary swimming sports. It was wonderful to see so many students competing and actively participating in this event. Thank you to the staff and parents who supported this event; without your support, students would not be able to participate in events that are run so successfully. Thank you also to Ma Pywell and Teagan Nugent who were the organisers for the days. Good luck to all of the students who made it through to zone swimming sports, which are being held in the next week or so.

GERMAN EXCHANGE

This is the last week of the German Bad Aibling visit. The German students have had a lovely time with excursions to Mt Bualo, the Shire Offices and learning about our gold mining history. It was lovely to welcome back Christina and Gerd and also the students on short and long term exchange. Thank you to Katrina Ciolli for all of your organisation, the staff who assisted with supervision and leading trips, and to Frank Kusch. Without a combined effort we would not have such a successful program.

NETBOOKS AND BYOD

There seem to be a lot of students who have taken up the BYOD option for netbooks/laptops in the Secondary. I would like to strongly encourage parents to discuss with your children how they can correctly store and carry their netbooks/laptops. Devices should always be stored and carried in a protective case – a hard case is best. Shoulder straps should be included and the devices should be carried this way and not amongst books in their hands. Also, make sure their device is stored correctly in their locker, in an upright position, not on top of books and always kept in a **locked locker**. Hopefully this will assist in keeping devices safe.

HOMEWORK

Students should now be in the process of setting up a scheduled homework time throughout their week. This will assist in reducing the amount of tasks that build up. All Primary Units have sent home in a newsletter the homework expectations and secondary students will have been assigned weekly homework. Continually revising work from class should also be included in the weekly homework schedule and not left for exam preparation.

YEAR 11 STUDENTS CONFERENCE DAY AT WANDILIGONG

On Wednesday 17th February our Year 11 students and some staff members cycled from Bright to Wandiligong for the day to participate in activities relevant to our students' needs for Year 11. They were given information on study skills, career advice and team building activities.

YEARS 5 & 6 SCIENCE

Term 1 Science for the 5/6s is all about chemistry! We are investigating solids, liquids and gases. The students have been looking at Physical and Chemical reactions through experimentation. We had lots of fun turning cream into butter, melting chocolate, making a gas by combining bi-carb soda and vinegar and observing the reaction of a detergent with milk. The 5/6 students are learning about laboratory safety and how to work as scientists in the senior science laboratories.

Blood bank

Preparations are underway for our first blood bank drive of the year with students booked for Wednesday March 9th and staff booked to go on the evening of March 10th.

Remember 1 in 30 people will need some type of blood product during their life time, however only 1 in 30 donate. If you would like to become a donor, our closest blood bank is Wangaratta, you can call for an appointment or further information on **13 14 95**.

Hawthorn Village Visits

Our visits to Hawthorn Village Aged Care are about to commence this Thursday. I am still looking for more year 9 students to take up this wonderful community service opportunity. The students who participated last year had such a positive experience and gave so much back to the community. You can see the book we made called

Shared Stories at both the school and Bright town libraries. We also produced a 2016 calendar showcasing all the fun that was had during the visits. If you would like more information about this opportunity please contact me at the school on Mondays or Thursdays.

Breakfast Thursdays

Breakfast is off to a flying start, with a change of days to Thursday. The last 2 weeks have seen large numbers of students attending and lots of smiles happening. Remember: breakfast is free to all students P-12 and staff every Thursday morning from 8.20 in the cooking room. All you need is a smile, so see you there.

Quote for the week: "Worrying does not empty tomorrow of its troubles..... It empties today of its strength".

SECONDARY SWIMMING SPORTS DAY

SECONDARY SWIMMING SPORTS REPORT...

The Secondary House Swim Carnival was held on Thursday 11th Feb under clear blue skies at Myrtleford swimming pool. The program was set to encourage as much participation as possible through numerous short course events (25m) as well as longer events (50m-200m) to challenge those students wishing to represent the school at the next level.

Despite some houses being left short-handed for some age groups due to non-attendance, those that went maximised participation, especially with the junior (year 7 & 8) students, many of whom swam in older age groups to maximise points for their houses. The day was a great success and culminated with the 4x25m freestyle relays. These were well supported in every age group with the noise from the cheering becoming almost intolerable.

This wonderful day could not have taken place without the support of the secondary staff who attended, the staff in the office for processing all the forms and money, the parents who were there to support their kids, the bus drivers for transporting so many excited students and finally, our newly appointed house captains and deputies who worked tirelessly on the day ensuring as many events as possible were filled. I would like to take this opportunity to thank you all for efforts on the day especially to those that competed and also to those that dressed up for the day.

Final scores for the day;

- Ovens 2274 points**
- Buckland 3245 points**
- Kiewa 3848 points**

Congratulations Kiewa for their dominance yet again in the pool!

Age group champions to be announced at next Celebration of Success Assembly.

ONLY YEAR 7S TO RECEIVE VACCINATIONS IN 2016

Parents of older children may be aware that in previous years vaccinations were given to students in years 7 to 10.

However, the vaccine program for secondary students has been simplified this year so that all vaccines will only be offered to Year 7 students. This includes:

- Diphtheria, tetanus and pertussis combined vaccine (dTp) – one dose
- Human Papillomavirus (HPV) vaccine – three doses
- Varicella (chicken pox) vaccine – one dose

Parents of Year 7 students should look out for the vaccine consent card booklet coming home from school with your child. You need to read, complete and return Part A regardless of whether your child is being vaccinated at school.

The Alpine Shire Council immunisation service may contact you about the Secondary School Vaccine Program. Schools are authorised to provide parent/guardian contact details to local councils for this purpose.

Contact the school by **29 February 2016** if you do not want your contact details given to the Alpine Shire Council.

To learn more about the Secondary School Vaccine Program, the vaccines, the diseases they protect against, or how you can prepare your child for vaccination, go to - immuneheo.health.vic.gov.au

Dear Parents/Guardians & Community members

Chief VCE Exam Supervisor and assistants being sought

Have you been looking for ways to support our successful VCE Program and helping our students reach their potential?

Do you enjoy being organised? Do you like having control? Do you like knowing the work you do is highly valuable and incredibly important?

Do you like to be financially rewarded for the work you do?

If you have answered yes to any of these questions, you may be the exact person we are looking for.

Each year our VCE Exams require a Chief VCE Exam Supervisor supported by a number of assistants to help supervise and coordinate the sitting of exams so they comply with the Victorian Curriculum Assessment Authority's (VCAA) strict guidelines. You will be supported by me as the VCE Coordinator and the current Chief VCE Exam Supervisor and assistants to fulfil a vital role within our VCE Program. The key exam dates will be:

- General Assessment Task (GAT) to be held on **Tuesday 7th June, 2016 at Bright Community Entertainment Centre**
- End of Year Exams to be held between **Wednesday 26th October – Friday 18th November 2016** (with more specific subject dates available in May, once VCAA has confirmed the exact timetable)

A formal one day training session will be held between the dates of 2-5 May 2016, from 10am – 3pm where training will be held at the Victorian Curriculum Assessment Authority Training Centre at 189 Urquhart Street, Coburg (which is off Bell Street). You will only need to attend one of these days.

I am seeking expressions of interest for the Chief VCE Exam Supervisor role and additional assistant roles. For anyone who has held these positions and is keen to continue, I would welcome you contacting me via email: power.justin.r@edumail.vic.gov.au or by phone: (03) 5755 1166 to confirm your interest or to discuss the roles further. Please register your interest by **Friday 4th March, 2016**.

Alpine District Primary Swimming Sports

Our district swimming sports was a great day for all Year 3-6 students, teachers and parents. Students spent the day competing in the 25m pool or the novelty pool down at Myrtleford. Everyone showed excellent sportsmanship cheering for their friends and fellow team members, and there were some fantastic results. This year saw a new race for the Primary Swimming Sports, hopefully the beginning of a new tradition, a teacher/parent vs student race. This was an 8x25m freestyle relay, with all students and parents gathering around the pool to support their team. It was a great race and everyone gave a mighty effort, with the teachers and parents claiming the title for this year.

Our winning house was Kiewa on 941 points. Some key people who made this day possible: all the teachers who attended and helped with various jobs, Tony Brooks and Alicia Smith for their tireless efforts with the chaotic job of entering the data on the computer after each event, and all of the parent helpers who assisted with place giving duties.

I would like to give a special thankyou to our Junior School House and Vice House captains who stepped up to their responsibilities on the day and did a fantastic job assisting the teachers with marshalling.

Thank you for a great day, and best of luck to our students who will be moving on to compete at the Ovens and Murrumbidgee Division Swimming sports.

Teagan Nugent, Primary Sports Co-ordinator.

MUSIC NEWS

New Instrumental Students 2016

Here at Bright P-12 College we offer students a wide range of musical instruments to learn. These include the Piano, Guitar, Bass Guitar, Voice, Drums, Flute, Clarinet, Alto Saxophone, Tenor Saxophone, Trumpet, Trombone, Tuba and Euphonium. The ideal age for a student to learn would be from year 3 or 4 and above. This often depends on the physical size of the instrument and each child's maturity.

Students in the Secondary College have the chance to learn to play a Brass or Woodwind musical instrument for free. Please take up this great opportunity.

Please see Mr Campbell for the details about the Instrumental Music program.

Dookie Music Camp

This year the Dookie Music Camp will be happening in the first week of Term 2. The camp this year will be run at 'The Old Priory' at Beechworth. The cost is cheaper if you register earlier than March the 18th. This camp would be recommended to any student on Piano, Guitar, Voice, Woodwind, Brass, Drums or Strings from grade 5 and above. Last year a group of students went along and had a great time. It is a great chance for musical students to spend an intensive week playing their musical instrument with some knowledgeable music stars, and to mix with other like-minded students from this northern part of Victoria.

Please see Mr Campbell for further details about this camp.

Choirs

This year I would like to run two choirs, a 'Junior Choir' for students from Prep-Year2 and a 'Senior Choir' for students from Year 3 and above.

The Junior Choir will be rehearsing on Tuesday at lunchtime in the Music Room, please encourage your younger child to get involved.

The Senior Choir will be rehearsing on Wednesday at lunchtime. Please again encourage your older child to get involved if they are interested and enjoy singing.

Year 6 students Johanna, Bella and Tahlia entertained students at last week's Primary Assembly. The girls performed an original song titled 'Breathe', written by Bella and music by Tahlia. Well done, girls!

Dear Parents and Guardians,

This year, your child's **Progress Reports** will be published via COMPASS on the 14th March (Week 8 of Term 1). Progress Reports provide a short summary of how your child is performing in each of their subjects. If

you have any concerns about your child's performance we strongly advise you and your child attend **Parent/Student/Teacher Conferences** (previously called Parent Teacher Interviews) which will take place on the afternoons of Tuesday 22nd and Wednesday 23rd March between 3.40 and 5.40pm (this being the last week of Term 1).

Bookings for **Parent/Student/Teacher Conferences** can be made **online via COMPASS** (under the Community Icon) and will be opened on Thursday 17th March at approximately

9.00am. Interviews are strictly limited to 10 minutes for each teacher so if you need to speak to a teacher for longer, please arrange an alternate date and time.

If you **do not have access to the internet** for booking interviews, you may contact the front office administrator by phone or in person and they will make the bookings for you.

If you **do not know your COMPASS log on details**, you will need to inform the front office administrator and provide them with a current email address - log on details will then be emailed to you. Please do this well in advance of Week 8.

Reports on COMPASS can be found under the 'Reports' tab on your Compass Home Page.

Student behaviour

'I understand that in the event of my son's/daughter's misbehaviour or behaviour that poses a danger to him/her or others during the excursion, he/she may be sent home. I further understand that in such circumstances I will be informed and that any costs associated with his/her return will be my responsibility.'

ICT/Photograph consent

'I agree to my child using the internet and computer network in accordance with the same internet student user's agreement that applies at their current school.' [Strike out if you do not consent]

'I also consent to my child being photographed and/or visual images of my child being taken during activities by the school for use in the school's publications, school's website or for publicity purposes without acknowledgment and without being entitled to any remuneration or compensation.' [Strike out if you do not consent]

Consent for emergency transportation

'In the event of an emergency I consent to my child being transported in a privately owned vehicle driven by a member of the supervisory staff.'

Student accident insurance

The Department of Education does not provide student accident cover. Parents may wish to obtain student accident insurance cover from a commercial insurer, depending on their health insurance arrangements and any other personal considerations.
