## Principal's Report

### Bright P-12 College FunRun

On Sunday 24<sup>th</sup> April the College hosted its sixth Fun Run, one of our major fundraising events for the year. It was a remarkable success with many Bright P-12 parents, students, community members and visitors participating and enjoying the spirit of fun created by sharing a strenuous run or ambling walk. We had considerable volunteer help with the event on the day including students and teachers, with Mark Ditcham as MC. The main organiser of the event, Tracey Carey, and her small team were very busy on the day and have been over a long period of time planning, preparing and scheduling the event. Without their dedication and effort, our involvement with such a complex event, that is so beneficial for the students would be limited. On behalf of the Bright P-12 College community we thank you deeply for your work and time.

### Gala Day

Last Saturday Bright P-12 College participated in the annual Bright Gala Day. It is always a pleasure to walk through the main street of Bright representing Bright P-12 College during this special event. I was extremely proud of our students, staff, parents and community for the work they had put into preparing and organising the students and float. I would especially like to thank Lisa Anders, Kirsty Barker, Teagan Nugent, Doddsy, Katie Ferrito, Janmaree Dugiud and Chris Blazek for your efforts in driving the organisation and creative efforts for the event.

### Bright P-12 ANZAC Ceremony

On Wednesday 20<sup>th</sup> April **Bright P12 College held its annual ANZAC Day ceremony** at the Bright Entertainment Centre and I am pleased to say it was an inspirational event. The program began with a meeting of the College student leaders, RSL representatives Warren Barnard and Bruce Nordeck, Ms Sally Cocks and myself. We discussed the significance of ANZAC Day and

each student leader was given a task to do in preparing for the ceremony. On the day the student leaders excelled in their readings and leadership of the assembled students. After the event the RSL members present came up to Bright P12 for a morning tea. Then on **Monday 25<sup>th</sup> April** our student leaders ably represented Bright P-12 College at the Bright ANZAC Ceremony, held at 11am. The Senior College Captains Josh Raymond and Gen Taberner read to the gathered crowd and were extremely professional in their approach to the task. Many community members caught up with me at the end of the ceremony to congratulate the College and Josh and Gen.

### Testing Times

In the coming weeks students in years 3, 5, 7, & 9 will be sitting the NAPLAN tests.

The NAPLAN tests begin on Tuesday May 10<sup>th</sup> as children in Year 3, 5, 7 and 9 around the country sit the writing, spelling and grammar tests of the National Assessment Program for Literacy and Numeracy (NAPLAN). Reading and numeracy will follow on Wednesday and Thursday. NAPLAN is not a test you can “prepare” for. And making it a big deal of it won’t improve students’ performances, although it may increase their anxiety and reduce their performance.

**What is in the test?** NAPLAN is not connected to the AusVELs curriculum, so it is not an assessment of the content students learn each day at school. NAPLAN’s reference document is the “Statements of Learning”.

It is a general assessment of literacy and numeracy proficiency, providing a snapshot of how students around the country answer a particular set of Maths and English test questions one day in May. How each child performs will be the result of all their years at school, not what they did in the weeks leading up to the test.

**It is important all students do the very best they can during the test**, as we do use the NAPLAN results to plan learning programs and to shed light on a student’s learning, but it is not the only assessment made of a student or the only assessment to inform our knowledge of your child.

*Jean Olley,  
Principal.*

## Assistant Principal's Report

### NAPLAN Testing

The National Assessment Program- Literacy and Numeracy (NAPLAN) 2012 tests for Years 3, 5, 7, and 9 students will be held next week. NAPLAN tests assess student knowledge and skills in writing, reading, language conventions (spelling, grammar and punctuation) and numeracy.

The results of the tests provide information for students, parents, teachers and principals, which can be used to improve student achievement.

All students are expected to participate in the NAPLAN tests. During test week, catch up tests will be available for individual students who are absent on test days. These catch-up tests will take place in the Conference Room with Ms Olley on Friday 13<sup>th</sup> May 2015.

A pamphlet explaining NAPLAN in greater depth is on its way home with students.

If you have any concerns please contact me, Kelli Jacobsen on 57551166.

### Report Writing Day

Teachers will be writing reports on Friday the 10<sup>th</sup> of June. Students will not be required at school this day as it is one of our 4 student free days for the year. Please do not forget that Monday the 13<sup>th</sup> June is the Queens Birthday holiday.

### Who do I go to if I am concerned about my child .....

Please remember that student wellbeing is extremely important and goes hand-in-hand with academic growth. If you think your child is having difficulties either socially, emotionally or with their learning you can do the following:

Speak to the **classroom teacher** or the **Year Level Coordinator**, OR

Speak with **Kelli Jacobsen** (Assistant Principal) or **Mark Betheras** (Student Wellbeing) by contacting either by email or phone through the office.

We have a lot of supports in place for students and families who require assistance with **social and emotional or academic** support.

Katrina from **NESAY** started last Friday and will be available for counselling on Fridays from 9.15am for **Year 5 to 12 students**. You can make contact with Kelli Jacobsen or Mark Betheras to discuss your child's needs.

I am also pleased to announce the new **Adolescent Psychologist** employed by Alpine Health will be visiting the school on Monday the 9<sup>th</sup> of May. You can make contact with Kelli Jacobsen or Mark Betheras to discuss your child's needs. She will be available for students from **Year 7 and up**.

For students younger than Grade 5 there are other supports that can be put in place so please contact Kelli or Mark or the classroom teacher to discuss the needs of your child.

*Kelli Jacobsen,  
Assistant Principal*

### ICAS

Thank you to those students who have elected to do the ICAS assessments. The dates for the assessments are:

ICAS SUBJECT	ICAS SITTING DATE

## Expressions of Interest to join Playground Working Party

Bright P-12 College is looking at refurbishing the Primary Playground. We wish to bring together a group of interested individuals who have skills that would assist us in creating a fantastic space for our students.

Do you have skills that could benefit this Working Party? Experience in planning and implementation of playgrounds? Experience in Community Playground Development? Understanding of the physical/learning requirements of Primary Students?

If you are interested in joining the working party please email [bright.p12@edumail.vic.gov.au](mailto:bright.p12@edumail.vic.gov.au) by 6<sup>th</sup> May and your information will be passed on to College Council Environment Committee.

We look forward to working with you and creating a wonderful playground for our students soon.

## MILO DRINKS RETURN

**WHEN:** Wednesday mornings  
before school 8.30-8.55am

**WHERE:** School Library

**COST:** \$2 per cup + 2 marshmallows

This term I have started a course! Every student in the class meditation program with my class. We are following the structured program through 'Smiling Mind' – see <http://smilingmind.com.au/> for more information. Generally the meditation is held at the start of period 5 for approximately 5 minutes. The students are eager to be involved and have reported feeling relaxed after the sessions.

At the moment all three Grade 5/6 classes are reading 'Paper Planes' by Steve Worland. This sparked the idea of making paper planes of

Every student in the class made a paper plane (the same design) and we held a competition in the primary yard. Will Redden and Mia Lynch used the trundle wheel to measure the distance the planes flew. I collected the data and on return to the class we created a line graph. It linked in perfectly with the mathematics topic of graphs that we have been covering. Students are keen to make a different design of plane and do this task again.

Mrs Ferrito – Grade 5/6F

## WHAT HAS BEEN HAPPENING IN GRADE 5/6F?

## EngQuest

*The 5/6 students are looking at simple machines in Science this term. This is part of an EngQuest project designed by Engineers Australia to get young people interested in STEM (Science, Technology, Engineering and Mathematics). Last week the students looked at wheels and axles and how they can improve our ability to lift things from low to high places.*

## WHAT TO DO WITH ALL THOSE LEAVES???

Bright Community Garden is calling out for community help to

- Bag excess leaves from your garden.
- Drop off at the garden site.
- Send a text with your address to 0410 620 567 and leave the bag out the front for pick up.

### WE ARE HERE:

At the top roundabout on Ireland St, Bright, turn right, then first left onto Church Street. There are a few car parks behind the church hall which can be utilised for drop off. Leave bags anywhere near the shed on the actual garden site. Take a look around.

Many thanks. Bright Community Garden Team.

## Psychology Excursion to Melbourne

The Year 11 and 12 Psychology students took a trip to Melbourne to visit The Dax Centre and the Melbourne Museum last week. Students were given an innovative presentation that drew on the expertise of scientists from the Florey Institute of Neuroscience and Mental Health, and individuals who have lived with mental illness. Students gain a multifaceted perspective on artworks and mental illness, encompassing the artistic, scientific and psychological.

Whilst at the Museum, students carried out a series of investigations in The Mind: Enter the Labyrinth exhibition which included interactive activities, displays and exhibits that are relevant to psychology.

Over lunch we were lucky enough to catch up with past Bright P-12 Psychology students currently studying Psychology at Melbourne University: Maggie Beth Webb (now doing her PhD on Insight Learning), Indi Wickes (first year Psych/Law) and Ruby Pasquinelli (3rd year Psych). It was a thrill to catch up with these strong and intelligent women who are role models for all future Psychology students at this school.

## Film night – *Most Likely to Succeed* screening in BRIGHT on 11th May at Cloud 9 Theatre

The Australian Centre for Rural Entrepreneurship (ACRE), based in Beechworth, is pleased to present *Most Likely to Succeed*.

If you are interested in new approaches to education that prepare children for the changing face of employment, then this film is for you.

This film documents the history of education in the US (much of which is equally applicable to Australia) and challenges the status quo by highlighting new approaches that use project-based learning.

They encourage the critical and creative skills of children to better prepare them for advances in technology, automation and the future of work.

It's an inspiring film aligned with ACRE's role of moving young people from job-seekers to job-creators.

It will be screened across north east Victoria in May and you can book your ticket by visiting ACRE's website [www.acre.org.au](http://www.acre.org.au)

## Primary Art

- Years P-4 primary art classes have recently been focusing on Australian landscape collages using stories and illustrations by indigenous author, Sally Morgan, as inspiration. Come and view other students' art work displayed at the library and outside the primary art room.

# MUSIC NEWS

## SOIREE TERM 2

At the end of this term the music department will be running its first Soirees for 2016. The Primary Soiree will be on the 8<sup>th</sup> of June and the Secondary Soiree will be on the 9<sup>th</sup> of June. Both of these performances will start at 6.30pm and will take place at the Community Centre. Please put these nights in your diaries and come along and support our talented performers. Please return the notes in regards to these Soirees ASAP. Please talk to Mr Campbell if you have any questions.

## BORDER MUSIC CAMP

I have information about a Music Camp run from the 3<sup>rd</sup> of July until the 9<sup>th</sup> of July. This camp will take place at the Scots School in Albury. Please see Mr Campbell if you are interested.

## NEW BANDS!!

It has been great to see a few new student ensembles start to take place this year. There is a group of girls from

Year 7 and Year 6 who have started to rehearse some songs on a range of woodwind/brass instruments. A Year 7 and Year 8 rock band has also started to rehearse a number of songs. In the Year 10 Music class, a newly formed rock group has started, as well as a couple of duets. Finally, a group of boys from Years 6 and 5 have started to put together a few pieces for performance. Hopefully some of these groups will be ready for a performance later in the year. Playing music in an ensemble is a lot fun so please encourage your child to get involved.

## Career Update by Chris Blazek

In Term 1, I interviewed all of our Year 12 students to show them the great tools available on our **Alpine Career** website <http://careers.mcmyrtleford.catholic.edu.au/> available to students through Compass and families through a link on our soon-to-be relaunched school website. The aim of the small group catch-ups is to get a better understanding of the students' interest areas for their future pathways.

This term I am now talking with the Year 11 students and, as they have work experience to complete (14<sup>th</sup>- 17<sup>th</sup> June), looking at future pathways is very pertinent. I have been assisting Kate Brady, the Year 10 coordinator, with work placements for Year 10 students in the last week of Term 2 (20<sup>th</sup>-24<sup>th</sup> June).

Finding regular work placements and school-based apprenticeship/traineeship (SBATs) opportunities for our VCAL students has also kept me very busy talking with local businesses to explain their responsibilities and link them up with Sarina Russo, the apprenticeship agent. So far the following apprenticeships have been secured:

Jessie Bilkey	Alpine Valley Electrical Cert III in Electrotechnology Electrician.
---------------	---

Matt Reiff

Damon Barker Electrical  
Cert III in Electrotechnology  
Electrician.

Allison Williams

NHW (Wang Hospital)  
Cert III in Aged Care.

Jackson Cooper

All Terrain Cycles  
Cert III in Community Activity  
Programs.

In addition, James Hall is continuing his SBA with NECC in Cert III in Mobile Plant Technology. This is James' second year and we are receiving very positive feedback from his employers.

We have a number of students out in on-going weekly work placements giving them invaluable industry experience and potentially the opportunity to secure school-based apprenticeships in the future.

If anyone can offer our students work experience either as a block (week long or a few days) or for one-day-a-week for a number of weeks, or if you wish to have a chat about possibly developing a school-based apprenticeship or traineeship opportunity, please contact me, Chris Blazek, at school on 03 5755 1166.

## School Based Apprenticeship: *Jackson Cooper*

**Work-placement:** All Terrain Cycles  
**Work hours:** Monday 9.00am – 5.00pm &  
 Wednesday 9.00am – 5.00pm

### A typical work day for Jackson:

- Clean up the workshop
- Maintain hire bikes – bleed brakes, bleed forks, put tension on the wheel, true the wheels, clean the bikes
- Repair bikes – new head sets, punctures, tighten cables
- Restock the shelves
- Retail – operating the cash register

### Why do you work at All Terrain Cycles?

Because I like bikes!

**Favourite task:** Fixing the bikes

**Least favourite task:** Cleaning!

Any employers wishing to employ a student for either work experience, a structured work placement or a school-based apprenticeship, please contact Chris Blazek (Careers Coordinator) at school on 5755 1166

## IT'S A BOY!!

Congratulations, to our Year 12 Co-ordinator, Justin Power and his wife, Jacinta, on the recent birth of their 2nd child, Emerson James, a brother for India.

Best wishes to you from Bright P-12 College.

## WELCOME TO OUR NEW JAPANESE ASSISTANT

Ryo Nonomura is a 22 year old university student from Japan who is working at Bright P-12 College this year assisting our Japanese Teachers with their lessons.

He is currently staying with the Burgess family in Freeburgh. Welcome Ryo!
