Principal's Report

College Council Nominations

College Council is a fantastic way to fully engage with your child's and the community's school. The Council is the executive body of the College and assists in determining the College's priorities and strategic directions. There are also a number of College Council sub-committees which provide a diverse range of opportunities for parents to become actively involved in the College community. [Nominations close on the 28th February 2020.](#)

Lions Youth of the Year

Tuesday 18th February was the final task undertaken by Arnika Fillipi, Emma Lindsay and Lara Pasquinelli in their quest to be Bright's delegate in the Lions Youth of the Year Competition. The Lions Youth of the Year Quest is a project of the Lions Clubs of Australia and is designed to encourage student interest in leadership and the qualities required to take an active and constructive role in the community.

Arnika, Emma and Lara answered two impromptu questions from the panel and then delivered their prepared speeches to a large audience made up of family, friends and members of the Bright Lions Club. Their prepared speeches were amazing! The speeches were on very different topics and Lara, Emma and Arnika spoke with passion and in a clear and confident

Emma, Arnika and Lara & Bright Lions Club members

manner. The judging panel confided they were the best speeches they had heard in their years as a judging panel.

Emma, Arnika and Lara's confidence, dedication and eloquence were commented upon by the judges and many in the audience, with agreement they are very fine young ambassadors for the College, their community, and youth in general. Everyone agreed the judges had a very difficult task and the judges commented upon this being the closest contest they could remember. After much deliberation, the

judges awarded Lara with Best Public Speaker award and also as overall winner, which means she will be competing in the zone final.

I was extremely impressed and very proud of Lara, Arnika and Emma. They spoke from the heart with great passion and thoughtfulness. I was captivated with their deep, critical and creative thinking on issues discussed within their speeches and answers to difficult impromptu questions from the panel.

A huge thank you to the Lions Club, for their dedicated work in delivering this important program to the youth of Bright. A big thank you to parents and family for supporting also, Darren Ferrier and Jenni Sgambelloni for their organisation of the student entries this year.

Bad Aibling visit

Last week our guests from Bad Aibling arrived in Bright to start a three-week visit to our area. This week they have visited the Alpine Shire Offices, Mt Buffalo, Lawn Bowls, Bright Art Gallery, Ice Creamery and the Rotary Waterslide. It's been a very busy week. I will elaborate more on the visit in the next newsletter.

Long term German visitors with their host family buddies.

Importance of hearing your child/ren read

This year we have been continuing teaching **Respectful Relationships**. Each Primary Unit will teach each of the key areas of RR. However, the topics of focus for this term is EMOTIONAL LITERACY and PERSONAL STRENGTHS.

Emotional Literacy can be defined as the ability to understand ourselves and other people. It includes the ability to understand, express and manage our own emotions, build empathy and to respond appropriately to the emotions of others. Building a large vocabulary for emotions helps to increase emotional literacy and build self-awareness and empathy of others.

Children and young people need a vocabulary to help them recognise and understand strengths and positive qualities in themselves and others. This topic provides learning activities in themselves and others. This topic provides learning activities to build this vocabulary and to use it when discussing personal, social and ethical challenges.

Other topics to be covered are:

- Positive Coping
- Problem Solving

I have been reading current research on the importance of reading at home with your children. I know there are times where life may get in the way, however, as a parent I was shocked to read about the benefits of making the time to hear your child at home.

In April 2019, Ohio State University conducted research into the importance of hearing your child read and developing their vocabulary at home.

The research found -

“Even kids who read only one book a day will hear about 290,000 more words by age 5 than those who don't regularly read books with a parent or caregiver.”

[A 'million word gap' for children who aren't reading to at home.](#)

That's how many fewer words some may hear by kindergarten. Below is an article which helps to explain the importance of hearing your child read at home and building the connection of learning at home and at school.

<https://www.sciencedaily.com/releases/2019/04/190404074947.htm>

EXPANDING the LEARNING OPPORTUNITIES for our STUDENTS

We have a lot of rich learning opportunities planned throughout the Term. The Reptile Incursion will be a fantastic way to engage students in caring for our reptiles and environment. Then the Year 5 and 6 have their swimming program this Term. In the last week of Term St. Johns will be presenting to the Year 1 to 6s about basic First Aid.

BUDDY BENCH

We are currently seeking a donation of a new BUDDY BENCH. If you have a spare bench designed for outdoors we would love to hear from you. The SRC will repurpose this. The idea behind the Buddy Bench is that students who may not have anyone to play with can go there and then students can come and ask them to play or the Yellow Vest students or teachers can assist in connecting the student with friends to play with.

I would like to remind students and parents that the rock area in the Prep to 2 play space is out of bounds. Some parents have reported seeing students jumping off the fence and onto the rocks. This is not an area students should be in and could pose possible dangers. If you could please reiterate this with your Prep to 2 students at home and when supervising them before and after school in this play space.

PRIMARY O&M SWIMMING

PRIMARY O&M SWIMMING

Welcome to Our German Friends

Currently the College is hosting the 3 week reciprocal visit from our German sister-school, die Wirtschaftsschule Alpenland. Last year 10 students from Bright P-12 College travelled to Germany on the first part of the program and now we are hosting the return visit. There are 19 students and 2 teachers in the 2019/2020 German exchange group, all of whom are being hosted by local families. Whilst in Bright the students and their host buddies are kept very busy with a cultural activities program. Some of the highlights from the first 10 days of the visit include:

- ⇒ A day trip to Mount Buffalo where we undertook some short walks, peered through the windows of the Chalet, took in the beautiful views and also saw where the recent bushfires burnt to.
- ⇒ A workout at the Alpine Fitness Centre
- ⇒ Lawn bowls
- ⇒ A visit to the Bright Art Gallery to see the 'Buckland Riot' freeze painting and learn about the local gold rush history
- ⇒ Visits to local primary school classes in Harrietville and Bright P-12 College
- ⇒ An informative session about the differences between Australian and German school systems

⇒ Baking Anzac biscuits and making sausage rolls.

On the weekend our local host families have also treated their guests to some wonderful experiences which include:

A trip to the beach, viewing the silo art, a tandem paraglide, some mountain biking on the local trails, hiking in the Alpine National Park, camping on Mount Buffalo and swimming in the river.

This visit is a wonderful opportunity for the school community, students, parents and local groups to get to know someone from the other side of the world, to share some of our local nature and knowledge.

Our sister school relationship began in 2005 and has continued to be a strong bi-annual program offered to students by both schools, providing the opportunity to travel to another country (on the other side of the world), live in a local host family, gain practical experience using language skills and learn first hand about another culture.

Many thanks to all the students, families, local community members and staff members who work together to ensure we provide an experience of a life time for the students from our sister school during their visit to Bright.

BRIGHT P-12 COLLEGE INSTRUMENTAL MUSIC PROGRAM 2020

BRIGHT P-12 COLLEGE 'INSTRUMENTAL MUSIC PROGRAM 2020'

Dear Parent/Guardian,

We are lucky at Bright P-12 College to offer an extensive instrumental program for students to take part in. We offer tuition on a number of instruments including piano, guitar, drums, voice, bass guitar, ukulele, trumpet, trombone, alto saxophone, tenor saxophone, clarinet and the flute.

Learning a musical instrument has been shown to provide many benefits to a child academically, personally and socially in their development. Students who learn an instrument will be encouraged to perform at regular concerts in school and out in the community. The recommended age to start to learn an instrument would be from year 3 and above.

BRIGHT P-12 COLLEGE INSTRUMENTAL MUSIC PROGRAM 2020

We have a number of very talented Instrumental teachers here at Bright P-12 College who can teach a wide variety of instruments. I will list at the bottom of the note the teachers name, what they are able to teach and a little about their musical background. We ask that you make contact with your preferred teacher directly with the contact details provided.

The teacher will discuss the costs and the materials required for the lessons. The lesson time will be organised after consultation with the student's class teacher, music coordinator and deputy principal as necessary.
