Bright P-12 College Newsletter

Year 12 Students start the year with a splash!

COLLEGE CALENDAR

MARCH

- Mon 04 Mar - Year 7 Immunisations—all day.
- Tue 05 Mar - School Photo Day.
- Wed 06 Mar - Primary Hume Swimming.
- Thu 07 Mar - O&M Secondary Swimming.
- “ “ - Hume Senior Cricket 11 & 12.
- MON 11 MAR - Labour Day Public Holiday.**
- Tue 12 Mar-Wed 13 Mar- Year 12 Retreat—Feathertop Chalet.
- Tue 12 Mar-Fri 15 Mar -Year 7 Camp Coolamatong.
- “ “ “ - Year 8 Camp Bogong.
- Thu 14 Mar-Fri 15 Mar -Year 9 Outdoor Ed Kayaking Trip.
- Tue 19 Mar - Secondary Hume Swimming.

Despite a week long delayed start to this event due to unusual thunderstorm activity, the house swim carnival went ahead on Thursday 14th February under clear blue skies. Team spirit was high for all houses with the house captains and vice captains doing a great job marshalling their troops into races and into the pool. We had several parents in attendance who, together with the pool staff, all said the carnival ran smoothly and commented that the students all were very well behaved.

As always the highlights for the day were the bombing competition and the teacher/student relays.

Thanks to all staff for their efforts on the day and also to all students for their wonderful support of this event.

Matt Pywell
 Secondary Sport Coordinator &
 Head of HPE faculty *(More photos on pages 5 & 6).*

Principal's Report

Welcome back, and a special welcome to our new students in Prep and other year levels, staff and families who have joined the College community this year. We have had a smooth and purposeful start to the academic year with the students approaching their learning with exuberance and settling easily into the routines of instruction.

Walking the Overland Track in Tasmania

I have been on leave for two weeks in Tasmania, spending one of those weeks hiking the Overland Track with my son, his fiancée and my daughter. It was an amazing, if somewhat challenging experience, mainly due to the weather. We had hail, rain, snow and very low temperatures during the week, but on the plus side, the rain put out the fires that had been burning in Tasmania for many weeks. The landscape was very different to any I had seen previously and very changeable across the 5 day/night walk. Mostly we stayed in the huts due to the extreme conditions but on the last night we had to camp as the hut was full. Setting up the tent was a challenge but it was nice and warm. The huts were very comfortable and there was a great atmosphere of cooperation and fun during our stay. I did find out on day 1 that my wet weather gear was in fact not rain proof and spent the rest of the trek with the tent footprint wrapped around me to keep out the rain and wind. On the last day, we walked two sections as we had to catch the ferry early the next morning and I ran into Will and Tom Stevenson-Vissers, who had started a day earlier. A small world. It was fantastic to catch up with them and their friends in such a remote and beautiful place. The Overland Track in Tasmania is a truly great experience and one I would recommend.

Welcome new staff

We warmly welcome the following new staff to Bright P-12 College:

Mel Worth Leading Teacher – 7-12 Literacy.

Natasha Tough replacing Mark Betheras who is on leave.

Cate Lewis replacing Kaylee McKenzie who is on leave.

Phil Rigby 13th Primary class – Years 5 & 6.

Rachel Bury replacing Georgie Matters who is on leave.

Kayla Harris who is working with Leanne Nightingale for one day a week.

And welcome back Zerlina Green who is replacing Lorraine Fraser (on leave) and has taken on Georgie's Leading Teacher role while she is on leave this year.

We are in a privileged position with increasing numbers to be able to employ new staff who bring to the College new ideas and knowledge of current teaching and learning practice. Please take the opportunity to welcome our new staff into the community. A profile of each of the new staff is included in this newsletter

Class and Year level groupings for 2019

Due to our increasing numbers, we have added an extra class in Primary this year, which has allowed us to privilege the first year of schooling with two small classes in Prep. We have **13 Primary classes:**

PF -Jayne Forbes/Sally Kellett.
PJ -Luke Jones.
1/2N- Leanne Nightingale/Kayla Harris.
1/2P- Tes Pederick/Sally Kellett.
1/2O-Ciaran O'Connor.
3/4V-Julie Van der Stelt.
3/4B- Rachel Bury.
3/4G-Zerlina Green.
3/4F- Katie Ferrito.
5/6R- Phil Rigby.
5/6G- Matt Gray.
5/6S -Daniel Saville.
5/6R – Breanna Rouse.

The **secondary groupings remain the same** with each year level divided into **two core groups** from years 7-10, then VCE-VET/VCAL groupings in the senior years. We are in a strong position due to consistent growth in student numbers over the last five years. The Year 11 and 12 groups are our smallest this year and we have made a commitment to their learning through running some very small classes at Years 11 and 12 to allow students a greater choice at the senior level.

The Secondary Year Level Coordinators are:

Year 7 & 8 - Frank Kusch.
Year 9 & 10 - Esther Dudley & Rachel Bardsley-Smith.
Year 11 & 12 - Darren Ferrier & Sue Joyce.

College Council Elections

College Council is a fantastic way to fully engage with your child's and the community's school. The Council is the executive body of the College and assists in determining the College's priorities and strategic directions. There are also a number of College Council sub-committees which provide a diverse range of opportunities for parents to become actively involved in the College community. A letter explaining College Council and asking for nominations has gone home and I would encourage you to consider applying for one of these meaningful and purposeful positions, particularly as we move into a significant period of growth and renewal.

Principal's Report

Lions Youth of the Year

Last Tuesday night was the final task undertaken by Matilda Manning, Daniel Neville, Tessa Williams and Sophie Morris in their quest to be Bright's delegate in the Lion's Youth of the Year Competition. The Lions Youth of the Year Quest is a project of the Lions Clubs of Australia and is designed to encourage student interest in leadership and the qualities required to take an active and constructive role in the community.

Matilda, Daniel, Tessa and Sophie answered two impromptu questions, one on how you would achieve your life goals and the other on what you would do if you were Principal for a month, from the panel and then

delivered their prepared speeches to a large audience made up of family, friends and members of the Bright Lions Club. Their prepared speeches were very diverse and all four spoke with passion and in a clear and confident manner.

Their confidence, dedication and eloquence were commented upon by the judges and many in the audience, with agreement that they are very fine young ambassadors – for the College, their community, and youth in general. Everyone agreed the judges had a very difficult task and the judges commented upon this being the closest contest they could remember.

After much deliberation, the judges awarded Sophie with Best Public Speaker award and Matilda as overall winner, which means she will be competing in the zone final this coming weekend. I was extremely impressed and very proud of Matilda, Daniel, Tessa and Sophie. They spoke from the heart with great passion and thoughtfulness.

I was captivated by their deep, critical and creative thinking on issues discussed within their

speeches and answers to difficult impromptu questions from the panel.

Thank-you to the Lions Club, for their dedicated work in delivering this important program to the youth of Bright. A big thank you to parents and family for supporting and Mal Steer for his organisation of the student entries this year.

Jean Olley—Principal.

Assistant Principal's P-6 Report

School Photos

We have been lucky enough to engage Arthur Reed again for school photos and also get a Term 1 date. Your child's photos will be taken on **Tuesday 5th of March**. I have handed out the "how to" booking forms today to each Primary class. Could you please make sure your child/ren are in FULL school uniform on this day.

The Rights of the Child

As part of our school's implementation of the new Child Safe Policies and Procedures we want to encourage all families and students to view the United Nations Convention on The Rights of The Child document that can be found at <https://www.unicef.org.au/Upload/UNICEF/Media/Our%20work/childfriendlycrc.pdf>.

Riding through the yard

I would just like to remind ALL STUDENTS and PARENTS that during school hours of operation we need to walk our bikes and scooters through the

school grounds. This is to protect the safety and wellbeing of all school community members.

Assistant Principal VALUES award

The **values of Bright P12 College** are: Excellence, Respect, Pride, Curiosity, Awareness and Compassion. In 2019 I will again be awarding students for displaying particular values when I see them. At last week's assembly **our first award winner for 2019 was Jude Wilson** for displaying the value of **Curiosity**. During our visit from the Western Bulldogs, Jude asked our question of the day, which was "Do you practise mindfulness?" A fantastic question Jude! It was great to hear that the players do in fact practise this skill and it is a great skill to master. So keep practicing everyone. You can practise mindfulness at home by using the SMILING minds app, having a shower or bath, practising deep breathing, taking a walk, meditating, colour or drawing, lying down and listening to nature outside.

Parent Teacher Interviews for P-6 will take place in week 8 this term along with the secondary interviews. Primary will host these on Tuesday, Wednesday and Thursday after school. We have replaced the Meet and Greet interviews with end of term progression interviews. Bookings will once again be made through

COMPASS. They should be open on the Thursday of Week 7, but please keep your eye on COMPASS for notifications specific to this. **Progression Reports** will again take place this term for Year 5 and 6 students as well.

COMPASS is a great way to keep in the loop about notices and information specific to your own children. It is a great communication tool. If you have not accessed COMPASS I would strongly encourage you to do so. It just helps to keep on top of everything that is going on in the College. If you are having trouble logging in you may contact the Office.

Our Uniform Policy is currently available on our website but I would like to remind everyone about the summer shorts. These should be blue in Primary, grey is an option for students grade 3 and up. They need to be purchased from the uniform shop, or they need to be similar looking to the ones available at the uniform shop.

eSafety

I am always interested to research best practice in eSafety. Whilst I was doing so I came across a heap of parent resources. Go to: <https://www.esafety.gov.au/about-the-office/resource-centre/brochure-parents-guide-to-online-safety> for more information. I think it is a good reminder to all about how to keep our children safe online.

**Assistant
Principal's
7-12 Report**

being involved in their child's learning, particularly as the content of school work becomes more complex or they take on specific interests.

In secondary school, the style of communication changes and parents may feel that there are fewer invitations to participate, both from students themselves, and from schools.

What Matters Most

Research shows that children's development in secondary school is influenced by the value families place on school, their expectations and aspirations for their young person's future. When parents and caregivers create an environment at home that encourages and supports learning, it influences how children learn, more than direct parental involvement with the subjects they are studying.

Be sensitive to how teenagers want to be more independent, while giving them structure and support.

Value education and show that you do.

Discuss aspirations and expectations for your child's education and future achievement.

Aim to provide a stimulating and supportive home learning environment.

Have conversations and participate, with them, in activities relevant to learning and the wider world.

Keep connections and communication open with teachers and support staff in secondary school.

Balance support for school expectations such as homework with the need adolescents have for independence and other parts of life such as sport or work.

*Scott Burton-
7-12 Assistant Principal.*

Parents' engagement with young people's learning and education is important in the secondary school years. It is related to their academic success, career aspirations and their wellbeing; however, research tells us that parents' connection to the school and learning can drop off as they become teenagers.

Why it Matters

The benefits of parents staying involved in their child's secondary school education include:

- * Improved academic achievement
- * higher completion rates
- * young people with stronger aspirations for post-school learning and employment
- * positive student attitudes and behaviour within school
- * increased self-esteem and productive social relationships amongst adolescents
- * fewer mental health issues
- * improved attendance rates.

Why is it Challenging

There are many reasons why parents might be less involved in the secondary school years:

Teenagers naturally become more autonomous, play a more active role in their education and begin to question their parents' authority. For parents this means that the way they used to support their child's learning may start to become more difficult.

Secondary schools are set up differently from primary schools, with different structures and processes in place to communicate student progress. As a child grows older, parents may feel less confident about

Health Corner with Adolescent Health Nurse Rosemary Bunge

Wellbeing day for Year 12

Thursday 21st February was wellbeing day for Year 12. I offered Year 12 some pampering to help reduce their stress levels.

I offered simple head and shoulder massages and hand scrub/massage. Also, they were treated to some sweet treats for morning tea. Year 12 students reported back that they felt more relaxed and really appreciated the day and my efforts. Next term there will 2 pamper days to make sure they are on track in their Year 12 studies.

Their thoughts of the day are recorded as follows:

- It's a great idea!
- I love pamper day.
- Awesome.
- A great relaxing idea to release stress.
- It was amazing...very relaxing!
- The best thing in my week...so relaxing!
- Would love to have this kind of thing more often. Absolutely amazing!
- So relaxing. Thank you.
- Worthwhile.
- So good!
- So relaxing, would recommend.
- Pamper day is the best day.
- Awesome! Feel super relaxed—would love to have again.
- The best thing ever! We should do it weekly.
- So relaxing and de-stressing. Best thing!
- Very relaxing and very much needed. Thank you so much!

Quote for the week: Keep room in your heart for the unimaginable.

Secondary Swimming Carnival

Secondary Swimming Carnival

Primary Swimming Carnival

Primary Swimming Carnival

Primary photos taken by Cindy Crostlewaite. Thank you from Ed.

Primary Swimming Carnival

On another warm Friday in February, our Year 3-6 students dressed in yellow, red and blue travelled to Myrtleford for the Bright P-12 College Primary Swimming Carnival. Students were involved in a range of 25 metre, 50 metre and novelty events - all with the aim of having fun and earning points for their house.

Thanks to all parents, house captains and staff who assisted in any way. Our next event is the O&M Swimming Carnival in Wangaratta on Thursday 28th February.

The age group champion winners were:

- 9yo - Samara McCallum (Bright) and Zeke Pywell (Wandiligong)
- 10yo - Harriet Herman (Bright) and Luke Carey (Bright)
- 11yo - Jenna Stephens (Bright) and Isaac Pywell (Wandiligong)
- 12/13yo - Sophie Head (Bright) and Sam Gough (Bright)

Music Teacher

INTRODUCING NEW STAFF FOR 2019

Hi Bright P-12 family and friends.

After too many year living in the bright lights of Sydney, Laura and myself quit our jobs and headed for Bright.

We only made it as far as Porepunkah due to the traffic jam caused by Rod Run. It was a fortunate weekend to arrive and we have been happily settled in Punkah for over a year now.

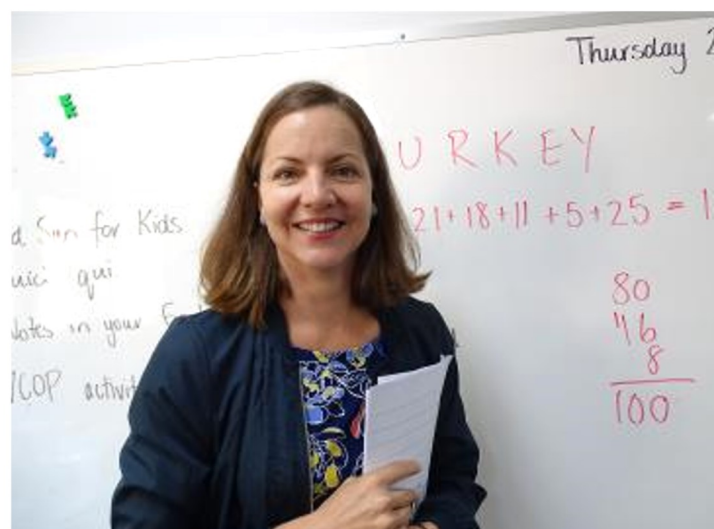

After taking on some term by term work last year in Bright and Dinner Plain I am very excited to be in the 5/6 team this year. Five weeks in and I am very much enjoying the challenges and opportunities that we are all provided here at Bright P-12.

Phil Rigby.

My name is Rachel Bury and I moved from Darwin to beautiful Bright with my husband and son in January 2018. I have 15 years teaching experience at both the primary and secondary level and I am very excited to be teaching a Year 3/4 class this year!

It is a terrific learning age and I feel very fortunate to have been given the opportunity to fill-in for Georgie Matters for at least the first three terms of 2019.

Like most people, I am enjoying the stunning natural surrounds and outdoor pursuits that are central to life in Bright and I look forward to the year ahead with the lovely students Bright P-12 College and Year 3/4B.

Hi, my name is Wayne Hollow,

I am working in the woodwork area with Mr. Jackson helping out with the larger classes.

I started working with wood when I was 15 as an apprentice carpenter and joiner, so I have doing woodwork for 46 years!

I really enjoy watching the kids have a go at all the woodwork skills. Mallets, chairs, stools, pencil boxes—they make the lot and end up with some amazing timber work.

Cheers,

Wayne.

INTRODUCING NEW STAFF FOR 2019

Hi I'm Melissa Worth. I've just moved up from Melbourne and have really enjoyed my first month up here. I've been teaching Health, PE and Outdoor Education for 15 years and have been fortunate enough to have experienced various leadership roles and a year as a governess in the S.A. Outback. I love being in the outdoors and exploring different environments and have always enjoyed coming up to Bright and surrounding areas. I also enjoy being involved in sports such as tennis, cricket, netball and more recently hockey.

Thanks so much to all the Bright P-12 staff, students and the wider community that have been so welcoming and helpful in my initial period of settling in and I'm looking forward to the ongoing work together and experiencing life in the Bright community. Melissa Worth.

My name is Cate Lewis. My Husband, kids and I moved to the area from Melbourne a couple of years ago. I love teaching English and Literacy, and have some experience teaching English as an additional Language. At Bright P-12, I am teaching Secondary English and Humanities. Additionally, I am really excited to have joined the VCE Indigenous Languages teaching team. Outside of school I enjoy reading, sewing and knitting. I live on 10 acres and we spend a lot of time tending to our large vegie patch and bottling the results! I am really looking forward to Year 7 camp in a few weeks, and settling in to live at Bright P-12 College over the next couple of terms.

I have recently moved to Bright from Mount Dandenong with my family. I have two daughters who are both primary students here at Bright.

I am teaching English, Humanities, VCAL and Year 12 History. Originally Canadian, I am looking forward to the winter season and spending the weekends on the slopes with my family!

Natasha Tough.

My name is Kayla Harris and I am a new teacher here at Bright P-12 College. I graduated from Charles Sturt University at the end of 2018 where I studied a Bachelor of Education (K-12).

I am a former student of Bright P-12 College after moving here in 2005 with my family. I really enjoy living in this beautiful part of the world and I'm excited to be able to work within my local community. It is great to be a part of the College community again and I am looking forward to an enjoyable year here at Bright P-12.

PHOTO & VIDEO COMPETITION

The Centre in Wangaratta is running a **What's your Renewable Energy future?** photo and video competition for students up to the age of 18. There is \$800 of prize money being awarded to a whole range of age categories.

- Primary (10 and under) \$50*
- Junior (11 – 13yo) \$50*
- Intermediate (14 – 15yo) \$50*
- Senior (16 – 18yo) \$50*
- Overall 1st prize – \$100*
- People's Choice prize – \$100

The link for more information is:

<https://www.thecentre.vic.edu.au/community-programs/2019-photographic-and-video-competition-and-exhibition/>

Competition entry is now open and closes on 5th April.

This is a great opportunity for students to take part in a creative competition looking at renewable energy in the future. A number of our students have voiced their interest and actively demonstrated their involvement in sustainable living projects looking at the future of the planet and how we can live more sustainably.
