## Principal's Report

### Gala Day

What a great day! The weather was great and the atmosphere in town was friendly and joyous and we won the Best School Float. I would like to thank the organising committee of **Janmaree Duguid, Chris Blazek and Vicki Newcomb** for their hard work in taking on this project for Bright P-12 College. This year we had volunteers from Boomerang Bags join Bright P-12 College as we walked the length of the town loudly proclaiming a message of environmental sustainability through recycling and reducing waste. Their amazing efforts over many weekends sewing cloth bags have produced a viable alternative to the plastic bag in Bright. I would also like to thank parents, students, grandparents and staff who helped out in any way for actively showing your support of the College. The Gala day parade is a huge community event and our enthusiastic involvement supports our purpose to foster creativity and connect with the community of Bright and surrounds.

### Instruction & Assessment through Collaboration and a Student Focus

Last term saw the introduction of the new Organisational/Leadership structure of the College. The structure clearly divides the work of school improvement into two teams, one led by the Principal – **Excellence in Teaching and Learning** and one led by the two Assistant Principals – **Positive Climate for learning**.

The Excellence in Teaching and Learning team includes **four Leading Teachers – P-4 Georgie Matters, 5-6 Matt Gray, 7-12 Libby Dean & Justin Power**. The team and myself are meeting regularly to plan teacher learning sessions around our AIP focuses: **Instruction, Assessment and Collaboration**. The staff of Bright P-12 College are meeting in two collaborative teams; P-6 with Georgie and Matt and 7-12 with Libby and Justin on most meeting afternoons. Last term the focus was on introducing the direction of the AIP focuses of Instruction, Assessment and Collaboration.

**This term the P-6 team are concentrating on Instruction**. Georgie, Matt and I have attended Regional Professional Learning – Literacy Leaders Primary in Shepparton and during the sessions the presenter has explained an Instructional model – The Gradual Release of Responsibility. The Gradual Release of Responsibility model is evidence based, easy to understand and a workable model for teachers to use across curriculum domains. This term the P-6 Teaching & Learning Team focus will be on introducing the model and building teacher capacity to use the model when teaching during the morning Literacy Block.

**This term the 7-12 team are concentrating on Assessment**. Libby and Justin have workshopped the concepts of Formative, Diagnostic and Summative assessment with the secondary teachers. Assessment is an integral part of teaching and learning and is to be used by the teacher and student to know where the learner is on the learning pathway to develop a better understanding of where to next. The fundamental purpose of assessment is to establish where learners are in their learning at the time of assessment. It is about student growth. I attended a Regional Professional Learning session on Assessment a couple of weeks ago in Wodonga, which was very informative, and came away with a number of resources to support the Leading Teachers and staff.

As part of our focus on assessment we will hold a professional learning day for all Primary staff and Secondary English Teachers on the Reading Assessment Benchmarking system Fountas and Pinnell on June 15<sup>th</sup>. An expert in the Reading Benchmarking System is coming to Bright P-12 College to work with our staff during a full day to develop a deep understanding of the system.

The Positive Climate for Learning team includes the **two Assistant Principals – Primary Kelli Jacobsen and Secondary Scott Burton, one Leading Teacher – Jenny Young and the Year Level Coordinators: P-2 Tes, Leanne & Jayne, 3-4 Julie Van Der Stelt, 5-6 Ciaran O'Connor & Breanna Rouse, Yr 7 Mark Betheras & Jenny Young, Yr 8 Frank Kusch, Yr 9 Esther Dudley & Rachel Bardsley-Smith, Yr 10 John Henstridge, Yr 11 Mal Steer & Yr 12 Libby Dean**.

The Positive Climate for Learning last term and this are focussing on developing good relationships with our students through a greater understanding of the whole child. This is in a large part due to the Year Level Camps: Year 7s went to Coolamatong, Year 8s to Bogong, Year 9s to Apollo Bay (with Apollo Bay and McCloud visiting Bright next term), Year 10 to Melbourne, Yr 11 to Wandiligong and Year 12 to Harrierville. In the coming terms the 5/6 students go to Canberra, the 3/4s to Melbourne and the P-2s will have a sleep over at the College.

### Attitudes to School Survey

The Attitudes to School Survey is an annual survey that provides data to support student wellbeing, engagement, school improvement and planning in schools.

Last week the Year 4, 5 and 6 students completed the Attitudes to Schools Survey. Students had an opportunity to anonymously give feedback around the areas of student wellbeing, student engagement, teaching and learning and bullying.

Bright P12 College will receive the data on our performance late June. This data is then used to inform us of our future direction in student's wellbeing, engagement and school improvement.

### Australian Early Development Census

All Prep parents should have received an information letter about the Census. It is an Australian Government Initiative and measures the developmental progress of children as they start their first full year of school. Prep teachers will complete the data collection during the school days. Please contact me if you would like to exclude your child/rens information from the census.

### Cross Country

It was so pleasing to see everyone out and about enjoying Cross Country last week. I was so proud of many students' individual efforts throughout the event. I will be going with Mr Saville and Mr O'Connor on Friday to the next round in Porepunkah with around 50 students from Year 3 to 6.

### Sexuality Education Parent Information Session

It was great to see so many parents of Year 5 and 6 students attend the Sexuality Education Session last week. Rosemary Bunge heads up this section of the curriculum with support from the Year 5 and 6 classroom teachers. Parents were able to experience what it would be like for a student in these classes, as the teachers ran through a couple of activities that the students will complete. It was also a great opportunity for parents to ask questions around the specifics of the program. Thank you to Rosemary, Ciaran, Matt and Breanna for your attendance on the night. It was certainly a worthwhile evening for all.

### Primary Parent Teacher Interviews

Our Primary staff are holding Parent Teacher Interviews this week. Bookings can still be made through the Community icon on COMPASS. This is a great opportunity to discuss your child's academic performance so far this year as well as any social/emotional concerns. We strongly encourage ALL PARENTS to attend these sessions. If you require assistance with bookings please contact the Office Staff.

### Sport Representatives

I would like to acknowledge and celebrate a tremendous achievement by Tyler Thomason who has qualified for the Primary Football Representative Team. I am unsure when Tyler will be competing however I wish him all the best in his sporting endeavours.

### Resilience Project

In the next week or so parents will receive a consent form for their child to participate in the Resilience Project Survey. Communities That Care – Alpine will be using this data to measure the effectiveness of this program across all schools in our Shire. Once these have been completed our students and teachers will commence the delivery of the Resilience Program in class time.

### FLU SEASON Approaching

With the cooler weather now upon us it is a good reminder that we can all help in minimising the spread of germs. Here is a poster to help us remember.

## Be a Soapy Hero

How to...  
wash your hands

WASH YOUR HANDS  
TO GET RID OF GERRY THE GERM

It  
only takes  
**20**  
seconds

Remember, you need to wash your hands:

- Whenever your hands look dirty
- After going to the toilet
- After coughing, sneezing or blowing your nose
- Before and after eating
- After touching pets or other animals
- After you play

Kelli Jacobsen—P-6 Assistant Principal.

**Assistant  
Principal's  
7-12  
Report**

All children will eventually be exposed to drugs – prescription medication, alcohol and tobacco, and sometimes hard drugs too – or to messages about

You can start talking to your children about drugs from when they are in primary school (the **ADF suggests 8 years** old, but respond to your child's cues - they may need to talk sooner than this). Talking to children about drugs will help to equip them with the information and skills to think critically when they are first confronted with alcohol and drug use.

The Australian alcohol guidelines state that the safest approach is to avoid alcohol until a person is 18 years old.

It is important to remember to be consistent

with your messaging. Demonstrating responsible drinking behaviour around your child is a key aspect of this. You can ensure this by:

- not drinking excessively
- not drink driving
- showing that you can have fun and relax without drinking
- refusing a drink if you do not feel like it or you have had enough.

It is also important to be clear and consistent around rules and the consequences associated with breaking these rules, and to help your children develop strategies to navigate situations that might involve drugs and alcohol with their peers.

**PLAYGROUND WORKING BEE**

too... so come and help get this playground revamp underway! We have waited so long to see this project begin so come along and be part of the crew!

Reminder...please sign up to help at the working bee this Saturday 19 May. Please log on and have a look at the remaining jobs.

We need more labourers - no experience necessary...but if you have experience we need you

A delicious morning tea will be served and a lovely lunch...so it will be worth your while. Not to mention the satisfaction you will get in making a real difference to our kids play spaces.

*ALL WELCOME.*

**Bright P-12 College  
Information Evening  
Year 7 students in 2019**

**Tuesday 29th May at 6.30pm**  
Meet in the College Library

**Invitation to families and current Year 5 and 6 students from our local communities to find out more about**

**Secondary schooling at Bright P-12 College.**

The presentation will be followed by a display of subject resources and the chance to speak with our expert teachers about your child's future education.  
If you have any queries, please contact Jenny Young, Year 7 Coordinator, on 5755 1166.

**Years 3-12 House Cross Country Event**

After carefully watching the weather reports last week it was decided to bring the House X-Country event forward by a day to miss the forecast cold snap and predicted rain. The afternoon chosen was picture perfect as athletes from years 3-12 assembled amongst the wind-blown leaves on the oval in preparation for their age-group based events. All runners were corralled into their respective houses and the house captains took charge, initiating some warm-up drills and stretches as well as a pep-talk. It was great to see our student leaders step up so effectively to assist

managing these students. The event started with the 16+ boys running their 5km event. This was then followed by the 9 year age group on the 3km circuit. After this, all remaining runners left in their respective age groups on the same 3km circuit. With the staggered starts, it was great to see some students pushing themselves to overtake the group in front. I would like to thank all the staff who assisted in making this event a successful one, whether they were marshalling around the track or assisting with recording back at

school. Secondary students who finished in the top eight have qualified to compete at O&M in Beechworth on Thurs 7/6 and should have received a letter about this. Primary age qualifiers are competing this Friday 18/5 at Porepunkah and I wish them all best for this event. Age group champions will be announced at the end of term celebration of success assembly and an update on the house totals will be given at this assembly too.

Secondary Sport Coordinator & Head of HPE faculty.

## MUSIC NEWS

### Term 2 Soirees

It is not long now until the Term 2 Soirees. There will be three Soirees each taking place at the Bright Community Centre. They will all start at 6.00pm. The P-2 Soiree will be on Tuesday the 12<sup>th</sup> of June. The 3-6 Soiree will be on Wednesday the 13<sup>th</sup> of June. The Secondary Soiree will be on Thursday the 14<sup>th</sup> of June. Please encourage your music student to get involved with these performances and get your notes back to Mr Campbell ASAP. Performing is fun and the more you do it, the better you will become, particularly when you are younger. Everyone is invited to come and watch our talented young and a little bit older performers.

### Gala Day

Congratulations to all the performers who played or sang on Gala Day. We had the P-2 Choir, 3-6 Choir and two ukulele groups perform. Thanks to all the parents who came to show their support.

### Voice Workshop and Concert

We were very lucky to have with us last week the vocal group 'Ginger and Tonic' come to Bright P-12 College. They put on a voice workshop with some of the singers we have in the school. They later performed in the secondary courtyard to our older student population.

### Freeburgh Market

On Gala Day weekend we had two of our talented musicians perform at the Freeburgh Market. Congratulations to Bode Crawford and Rex Stringer with your efforts with the performance. Congratulations boys!

### Parents evening grade 5/6 May 7<sup>th</sup> -

We had a great parent session last Monday night about the puberty classes we will be running this term. Parents were encouraged to take themselves back to their younger years and participated in some of the activities we use in our classes. It was a fun session and very pleasing to have so many parents attend. If you weren't able to make it, here is some information worth thinking about. Sexuality education is important and should start when children are young. Talk about feelings, relationships and values. Primary and secondary school children need age-appropriate information about sex and reproduction. At Bright P-12 we will be using a resource developed by the DET as part of standard curriculum. Puberty brings about dramatic physical and emotional changes that may be frightening to an unprepared child. To help prepare

students I will be supporting teachers in **5/6 year levels** over the next few months with puberty classes. If you have students in that age group now is a good time to be talking to them about growing up.

**Topics we are covering include changes of puberty, relationships, responsibilities, where to go for help, reproduction, social skills and getting along and the art of conversation. Information will be shared in many ways; games, books, quizzes, charts and simple chats.**

#### Ask your child what they learnt today

Young people want to talk with their parents and carers about sexual health. Avoiding the subject won't stop young people learning about sex, but it may result in them relying on inaccurate information.

Talking to young people about sex does not encourage sexual experimentation. In fact, research indicates that young people who receive a comprehensive sexuality (sex) education have a lower risk of unintended pregnancy and are less likely to have sex at an early age.

The easiest way to talk to your child about sexuality is to start at an early age, though it's never too late. Answer questions honestly and directly when they come up and find out together what you don't know as you go along.

If you would like more information about how to talk to your child feel free to contact me at the college. I am here Monday and Thursdays.

**Thought for the week:** Education is not preparation for life; education is life itself. (John Dewey)

## Previous FRED fund Recipients

**Caitlin Smith** was awarded a contribution towards an AustSwim Course to help her towards becoming a *swimming instructor*. Here's what she had to say about the experience:

My completion of the AustSwim course has been a very rewarding experience. The course enabled me to gain a stronger insight into the finer details of swim teaching, beyond my prior experiences as a swimmer. In obtaining this qualification I am now able to teach

swimming, enabling me to further my involvement within the Myrtleford Swimming Club over the summer swimming season, as well as helping me to obtain employment at the University of Melbourne Pool whilst I am studying at University.

**Clara Williams** was awarded a contribution towards her going to work in Canada to advance her ambition to become a *ski instructor*.

Her mum said: Since she learnt how to ski, Clara always said she wanted to be a ski instructor. She decided that at the end of year 12 she would take a gap year and head to Big White in Canada to fulfil her dream. Thanks to the funds received through your daughter's legacy, my daughter is leaving for Canada on December 3rd this year.

**Mitch Leist** was awarded funds towards his *Operate and Maintain Chainsaw course*.

Thank you very much for the funding towards my qualifications (chainsaw ticket and whitecard). I am really pleased to be able to tell you that I have successfully completed my chainsaw course and have attached a copy of the Statement of Attainment. I enjoyed doing the course and it gave me a better understanding of the industry requirements as well as giving me a taste of arboriculture. Having these qualifications to put to my name will help with trying to get a traineeship or assist me in applying for further training in the future.

**Teagan Atherstone** towards her competing in the *World Mountain Bike Championships* in Cairns in September.

## Bright P-12 College Parents & Friends Update

Just a quick update regarding what the P & F crew have been up to. Big thanks to all those that volunteered during the Brighter Days Festival over the March long weekend to help out the Bright Lions Club with selling food to the many festival goers over the weekend. A great event and a pleasure to help out the Bright Lions Club as they assist us during the year on several occasions. Special thank you to Roshelle Harrison and our very own Steve Jenvey for co-ordinating the following helpers:

Lynne Edgar, Tammy Runia Van Loon, Mandy Clayton, Amy Ditcham, Darin Lynch and Monica, Kelly Riley, Brett Lidbury.

Playground working bee – Saturday 19 May will see the first stage of the new playground redevelopment get underway. Please register at:

<http://brightp-12college.volunteerlocal.com/volunteer/?id=28915>

Thanks to all those parents that completed our survey last year asking what you wanted from your P&F group. Over 50

people responded to the survey and Kelly Riley was our lucky winner of the \$50 uniform shop voucher. Mother's Day stalls, Book Week character dress up day, fun social get together for parents and families were common responses to the question about what you want to see happen in the future.

There was a definite majority of respondents that would prefer to offer time volunteering rather than making a cash donation to the P&F. Please remember this when we are asking for your help! We are taking on board all feedback and have a few ideas in the pipeline.

All suggestions welcome – P&F are the voice of the parents so please raise your concerns at one of our P&F meetings or via email addressed to the P&F and we will endeavour to assist in any way we can.

P&F have just approved the following items to be purchased from funds already raised:

- \$1700 for replacement marquee covers and flags to use at inter-school activities/sports days.

- \$300 Gala Day float entry.
- \$500 German Exchange program welcome BBQ and souvenir hat expenses.
- \$200 plants for the canteen garden.
- \$1200 Canteen display fridge.
- \$300 sporting equipment for primary department.
- \$480 Lego tubs for primary wet day timetable.
- \$389 paper cutter for primary.
- \$500 towards Yr 12 Student Rahn Stavar's trip to London for the International Science Forum.

Our next P&F meeting will be held Wednesday 25 July at 7pm in the library.

For more info about P&F please contact our P&F Representative Roshelle Harrison on 00448525482 or email [roshelle@bangtoyshop.com.au](mailto:roshelle@bangtoyshop.com.au)

All welcome!

## Year 9 Apollo Bay Camp Reflection

In the first week of term two, a group of year nine students went to Apollo bay. We were billeted out to many different families. Alex Campbell and I stayed with an amazing host family that made sure we had an awesome time and enjoyed our stay in Apollo Bay. During the day we had a range of really fun activities like surfing, kayaking, bushwalking and mountain bike riding. My personal favourites were surfing and kayaking. I really enjoyed these water activities and

bonding with the Apollo Bay kids. This camp would have to be my favourite camp by far and I would really recommend other students participate in this amazing opportunity in the future. I have made lots of new friends and learnt many new skills. I wish this camp went for longer. I'd like to thank Scott Burton, Rachel Bardsley-Smith and Esther Dudley for making this trip possible and such a successful camp.

# Bright Fun Run Update

The Bright Fun Run was held for the eighth year in a row on the 29<sup>th</sup> April under perfect Autumn conditions (albeit a little smoky!)

A record number of runners participated in the event with 47% of our registrations coming from outside of the Alpine Shire. Well done to all of our students, staff, friends and family that participated or volunteered on the day.

Once again the most popular event was the Bendigo Bank 2km run with 199 runners. However, it was the HVP 5.4km trail event where parents were able to run with their children that was the biggest surprise of the day with a total of 90 runners (an increase on 21 last year!) In the other trail events we had 56 runners selecting the Pine Valley Tourist Park 8.1km and 54 took on the challenge of the Badrock Air Conditioning & Refrigeration 13.3km. The Dickens 5km race remained strong with 80 entrants. In the Bright Pharmacy 10km we had 55 runners and a record number of 69 runners in the Bright Brewery half marathon event.

Altogether 129 Bright P-12

students participated in the Fun Run and congratulations to Ovens who took home the trophy for the House with the most participants with 53 students. Great job Ovens!

Well done to the 32 students who raised money through the student sponsorship program. This made a profit of \$1500 with special mention to Alan Grasser for the most sponsorship raised of \$137.

Overall, the Bright Fun Run raised in excess of \$19,000. What a fantastic effort everyone!

## L2P LEARNER DRIVER MENTOR PROGRAM

### Alpine L2P Learner Driver Volunteers

Do you hold a full drivers licence, have a good driving history and are able to commit to a minimum of 1-2 hours of volunteering per week?  
If, you answered YES! Then why not think about

volunteering as an L2P mentor?

All L2P volunteers must undertake a police check and one day training session with VicRoads.

The L2P program will also provide volunteers access to a vehicle and ongoing support, including the opportunity to network with fellow L2P volunteers on a monthly basis.

If you have an interest in safer driving and coaching a young person to achieve that all important milestone of gaining their drivers licence, please call 0418 736 665 or email [l2p@alpineshire.vic.gov.au](mailto:l2p@alpineshire.vic.gov.au)

Hey! Young People!

#### Got a Dream? Need Money to Achieve It?

- Go on a camp that develops your personal interests?
- Investigate your family history?
- Provide that thing that your community really needs?
- Learn to walk a tight rope?
- What is your dream?

#### The FRED Fund Award

- is available for this year,
- is here in Bright and surrounds,
- is for you or a group of you,
- is to help students in years 5 – 12 to do rewarding things, and
- has about \$1,000 available per year!

Boomerang Bags is a community driven initiative tackling plastic pollution at the grassroots level by gathering to make re-useable bags using recycled materials as a means to provide a sustainable alternative to plastic bags.

#### WE WOULD LOVE YOUR HELP!

Volunteers needed to help with cutting materials, pinning, ironing, stamping and sewing. All ages welcome and no experience required, a sense of humor does help though...

What are we up to this month .....

# 12 BRIGHT VINES 2018 VINTAGE LABEL VOTE

## Label Voting

### Secondary Social Enterprise: 12 Bright Vines 2018 Vintage

The Year 9 Visual Communication & Design students have been busy designing our new labels and we would really appreciate your input in selecting the best label for our 2018 vintage. \$100 will be awarded to the student designer of the winning label, who will then work with a graphic designer to modify the label, ready for printing.

'12 Bright Vines' label options designed by Year 9 Visual Communication & Design students:
